

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Wanda Miller
DOCKET NO.: 21-01420.001-R-1
PARCEL NO.: 04-04-425-014

The parties of record before the Property Tax Appeal Board are Wanda Miller, the appellant, by attorney Gregory Riggs of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$8,014
IMPR.: \$76,458
TOTAL: \$84,472

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 2,304 square feet of living area. The dwelling was constructed in 1990. Features of the home include a basement, central air conditioning, a fireplace and a 520 square foot garage. The property has a 12,250 square foot site and is located in Winthrop Harbor, Benton Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on three comparable sales that have the same assessment neighborhood code as the subject and are located within .69 of mile from the subject property. The comparables have sites that range in size from 12,840 to 18,300 square feet of land area. The comparables are improved with two-story dwellings of wood siding exterior construction ranging in size from 2,314 to 2,490 square feet of living area. The dwellings were built from

1988 to 2006. Each comparable has a basement, central air conditioning and a garage ranging in size from 399 to 660 square feet of building area. Comparable #2 has a fireplace. The comparables sold from December 2019 to August 2020 for prices ranging from \$208,000 to \$253,000 or from \$87.36 to \$101.61 per square foot of living area, including land. The appellant provided the listing sheet associated with the sale of comparable #2. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$84,472. The subject's assessment reflects a market value of \$254,051 or \$110.27 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on five comparable properties, where comparable #3 is a duplicate of comparable #1 and will not be further addressed in this analysis. The board of review's comparable #2 is the same property as the appellant's comparable #1. The comparables are located within .69 of a mile of the subject and three comparables have the same assessment neighborhood code as the subject. The comparables have sites that range in size from 6,250 to 15,960 square feet of land area. The comparables are improved with two-story dwellings of wood siding exterior construction ranging in size from 2,146 to 2,314 square feet of living area. The dwellings were built from 1988 to 2005. Each comparable has a basement, central air conditioning and a garage ranging in size from 356 to 702 square feet of building area. Three comparables each have a fireplace. The comparables sold from April 2020 to July 2021 for prices ranging from \$225,000 to \$275,000 or from \$97.23 to \$127.31 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of six suggested comparable sales for the Board's consideration, as one sale was common to the parties. The Board has given less weight to the appellant's comparable #2 and board of review comparable #5 due to their newer dwelling ages when compared to the subject.

The Board finds the best evidence of market value to be the parties' remaining comparables, which includes the common sale. The Board finds these four comparables are similar to the subject in location, dwelling size, design, age and some features. The comparables sold from December 2019 to July 2021 for prices ranging from \$208,000 to \$273,000 or from \$87.36 to \$124.89 per square foot of living area, including land. The subject's assessment reflects a market value of \$254,051 or \$110.27 per square foot of living area, including land, which falls

within the range established by the best comparable sales in the record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
