

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jose Quinonez
DOCKET NO.: 21-01428.001-R-1
PARCEL NO.: 08-16-102-044

The parties of record before the Property Tax Appeal Board are Jose Quinonez, the appellant, by attorney Gregory Riggs of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$7,870
IMPR.: \$48,914
TOTAL: \$56,784

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story duplex of brick exterior construction with 2,560 square feet of living area. The dwelling was constructed in 1964. Features of the home include a basement and central air conditioning. The property has a 6,120 square foot site and is located in Waukegan, Waukegan Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on four comparable sales that are located from approximately .10 of mile to 1.27 miles from the subject property. Comparable #1 has the same assessment neighborhood code as the subject. The comparables have sites that range in size from 7,340 to 10,350 square feet of land area. The comparables are improved with 1.5-story or 2-story duplexes of brick exterior construction ranging in size from 1,985 to 2,560 square feet of living area. The dwellings were built from 1937 to 1964 with comparable #2 having a reported

effective age of 1964. Each comparable has a basement, two comparables have central air conditioning and three comparables each have a garage ranging in size from 400 to 576 square feet of building area. The comparables sold from February 2018 to February 2020 for prices ranging from \$107,500 to \$144,200 or from \$53.40 to \$59.20 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$56,784. The subject's assessment reflects a market value of \$170,779 or \$66.71 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales that have the same assessment neighborhood code as the subject and are located within .86 of a mile from the subject property. The board of review's comparable #5 is the same property as the appellant's comparable #1. The comparables have sites that range in size from 5,870 to 7,670 square feet of land area. The comparables are improved with 2-story duplexes of brick exterior construction containing either 2,294 or 2,560 square feet of living area. The dwellings were built from 1951 to 1964. Each comparable has a basement and comparable #3 has central air conditioning. The comparables sold from February 2020 to November 2021 for prices ranging from \$140,000 to \$220,000 or from \$55.47 to \$85.94 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains eight suggested comparable sales for the Board's consideration, as one sale was common to the parties. The Board has given less weight to the appellant's comparables #2, #3 and #4 due to their sale dates occurring in 2018 or 2019, less proximate in time to the assessment date at issue than the other sales in the record and/or their distant locations from subject being more than one mile away. Furthermore, the appellant's comparable #2 has a considerably smaller dwelling size and older year built when compared to the subject dwelling.

The Board finds the best evidence of market value to be the parties' remaining comparables, which includes the common sale. The Board finds these comparables sold more proximate in time to the assessment date at issue, are similar to the subject in location and similar, if not identical to the subject in dwelling size, design, age and some features. These five comparables sold from February 2020 to November 2021 for prices ranging from \$140,000 to \$220,000 or from \$55.47 to \$85.94 per square foot of living area, including land. The subject's assessment

reflects a market value of \$170,779 or \$66.71 per square foot of living area, including land, which falls within the range established by the best comparable sales in the record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
