

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Herbert Straus  
DOCKET NO.: 21-01433.001-R-1  
PARCEL NO.: 06-29-400-192

The parties of record before the Property Tax Appeal Board are Herbert Straus, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$2,840  
**IMPR.:** \$41,755  
**TOTAL:** \$44,595

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story condominium unit of vinyl siding exterior construction with 1,452 square feet of living area. The dwelling was constructed in 1996. Features of the home include a concrete slab foundation, central air conditioning and a 460 square foot garage. The property is located in Round Lake, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on four comparable sales with the same assessment neighborhood code as the subject property. The comparables are improved with 2-story condominium units of vinyl siding exterior construction ranging in size from 1,448 to 1,485 square feet of living area. The dwellings were built in either 1996 or 2000. Three comparables each have a basement with finished area and one comparable has a concrete slab foundation. Each dwelling has central air conditioning and a garage that ranges in size from 367 to 437

square feet of building area. One comparable has one fireplace. The properties sold in either June or November 2020 for prices ranging from \$111,500 to \$128,000 or from \$77.00 to \$88.15 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$38,330 which reflects a market value of \$115,002 or \$79.20 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$44,595. The subject's assessment reflects a market value of \$134,120 or \$92.37 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales with the same assessment neighborhood code as the subject property. The comparables are improved with 2-story condominium units of vinyl siding exterior construction ranging in size from 1,452 to 1,503 square feet of living area. The dwellings were built in either 1994 or 1995. Each comparables has a concrete slab foundation, central air conditioning, and either a 367 or 460 square foot garage. Two comparables each have one fireplace. The properties sold from April to December 2021 for prices ranging from \$155,000 to \$170,000 or from \$106.75 to \$113.11 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains nine comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #2, #3, and #4 which have basement foundations, unlike the subject.

The Board finds the best evidence of market value to be the appellant's comparable #1 and the board of review comparables which are identical or similar to the subject in location, age, design, dwelling size, foundation type, and other features. These comparables sold from June 2020 to December 2021 for prices ranging from \$115,000 to \$170,000 or from \$77.44 to \$113.11 per square foot of living area, land included. The subject's assessment reflects a market value of \$134,120 or \$92.37 per square foot of living area, land included, which falls within the range established by the best comparable sales in this record. Based on this record and after considering adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's estimated market value as reflected by its assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
