

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Michael Beales
DOCKET NO.: 21-01448.001-R-1
PARCEL NO.: 07-19-401-154

The parties of record before the Property Tax Appeal Board are Michael Beales, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$17,927
IMPR.: \$90,003
TOTAL: \$107,930

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 2,491 square feet of living area. The dwelling was constructed in 1997. Features of the home include a basement with finished area, central air conditioning, one fireplace, and a 475 square foot garage. The property has an approximately 8,710 square foot site and is located in Grayslake, Warren Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on five comparable sales located in the same assessment neighborhood code as the subject property and within 0.32 of a mile from the subject property. The comparables have sites that range in size from 6,970 to 15,250 square feet of land area. The properties are improved with 2-story dwellings of wood siding exterior construction ranging in size from 2,410 to 2,768 square feet of living area. The dwellings were built from 1993 to 1997.

Each comparable has a basement with four having finished area, central air conditioning, one fireplace, and a garage that ranges in size from 420 to 660 square feet of building area. The properties sold from January to August 2019 for prices ranging from \$262,500 to \$315,000 or from \$102.14 to \$124.85 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$99,990 which reflects a market value of \$300,000 or \$120.43 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$107,930. The subject's assessment reflects a market value of \$324,602 or \$130.31 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue. In support of its contention of the correct assessment, the board of review submitted information on five comparable sales located in the same assessment neighborhood code as the subject property and within 0.34 of a mile from the subject property. The comparables have sites that range in size from 10,020 to 14,810 square feet of land area. The properties are improved with 2-story dwellings of wood siding exterior construction ranging in size from 2,286 to 2,515 square feet of living area. The homes were built from 1992 to 1998. Each comparable has a basement with finished area, central air conditioning, one fireplace, and a garage that ranges in size from 460 to 744 square feet of building area. The properties sold from April 2020 to December 2021 for prices ranging from \$340,000 to \$421,000 or from \$138.24 to \$184.16 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted ten comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables which have 2019 sale dates occurring less proximate in time to the January 1, 2021 assessment date at issue than other comparable sales in this record.

The Board finds the best evidence of market value to be the board of review comparables which sold more proximate in time to the subject's assessment date and are similar to the subject in location, design, age, dwelling size, and other features. These properties sold from April 2020 to December 2021 for prices ranging from \$340,000 to \$421,000 or from \$138.24 to \$184.16 per square foot of living area, land included. The subject's assessment reflects a market value of \$324,602 or \$130.31 per square foot of living area, land included, which falls below the range established by the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant failed to prove by a preponderance of the evidence that a reduction in the subject's assessment is justified based on overvaluation.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
