

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Thaddeus Dusik
DOCKET NO.: 21-01466.001-R-1
PARCEL NO.: 05-33-302-069

The parties of record before the Property Tax Appeal Board are Thaddeus Dusik, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$10,604
IMPR.: \$71,505
TOTAL: \$82,109

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame exterior construction with 2,461 square feet of living area. The dwelling was built in 1999. Features of the home include an unfinished basement, central air conditioning, one fireplace, and a 441 square foot garage. The property has an approximately 7,405 square foot site and is located in Lakemoor, Grant Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within the same assessment neighborhood code as the subject property. The comparables have sites with either 8,276 or 9,147 square feet of land area. The properties are improved with 2-story dwellings of frame exterior construction ranging in size from 2,359 to 2,473 square feet of living area. The dwellings were built from 1998 to 2002. Each comparable has a basement with one having

finished area, central air conditioning, and a garage with either 420 or 441 square feet of building area. Two comparables each have one fireplace. The properties sold from March 2018 to October 2020 for prices ranging from \$208,550 to \$256,000 or from \$88.41 to \$103.52 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$78,992 which reflects a market value of \$237,000 or \$96.30 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$82,109. The subject's assessment reflects a market value of \$246,944 or \$100.34 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on six comparable sales located within the same assessment neighborhood code as the subject property. The comparables have sites that range in size from 7,841 to 14,810 square feet of land area. The properties are improved with 2-story dwellings of frame exterior construction ranging in size from 2,073 to 2,345 square feet of living area. The homes were built from 1998 to 2003. Each comparable has a basement with two having finished area, central air conditioning, and a garage that ranges in size from 400 to 440 square feet of building area. Four comparables each have one fireplace. The properties sold from October 2019 to June 2021 for prices ranging from \$236,000 to \$290,000 or from \$104.90 to \$134.59 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #2, and #3 as well as board of review comparables #1 and #4 which sold in 2018 and 2019, less proximate to the January 1, 2020 assessment date than other comparables in the record. The Board also gives less weight to the appellant's comparable #4 and board of review comparables #5 and #6 which have basement finish, unlike the subject.

The Board finds the best evidence of market value to be board of review comparables #2 and #3 which are more similar to the subject in location, design, age, dwelling size, and most features. These two properties sold in November 2020 and June 2021 for prices of \$236,000 and \$279,000 or of \$108.05 and \$134.59 per square foot of living area, land included, respectively. The subject's assessment reflects a market value of \$246,944 or \$100.34 per square foot of living area, including land, which is bracketed by the two best comparable sales in this record on an overall market value basis but below them on a price per square foot basis. Based on this record

and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by the assessment is supported and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
