

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Karen Ferguson
DOCKET NO.: 21-01500.001-R-1
PARCEL NO.: 14-04-201-121

The parties of record before the Property Tax Appeal Board are Karen Ferguson, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$43,280
IMPR.: \$141,625
TOTAL: \$184,905

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 3,225 square feet of living area. The dwelling was constructed in 2016. Features of the home include a basement, central air conditioning, one fireplace, and a 545 square foot garage. The property has a 11,134 square foot site and is located in Hawthorn Woods, Ela Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables with the same assessment neighborhood code as the subject. The comparables are improved with two-story dwellings of frame exterior construction that range in size from 3,222 to 3,302 square feet of living area. The dwellings were built from 2016 to 2018. Each comparable has a basement, central air conditioning, one fireplace and a 545 to 770 square foot

garage. The comparables have improvement assessments that range from \$105,411 to \$132,387 or from \$31.92 to \$41.09 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$184,905. The subject property has an improvement assessment of \$141,625 or \$43.91 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on five equity comparables with the same assessment neighborhood code as the subject. Each comparable is improved with a two-story dwelling of wood siding exterior construction ranging in size from 3,225 to 3,369 square feet of living area. The dwellings were built from 2015 to 2018. Each comparable has a basement, central air conditioning, and a 510 to 640 square foot garage. Three comparables each have one fireplace. The comparables have improvement assessments that range from \$151,934 to \$157,737 or from \$46.81 to \$47.59 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine suggested equity comparables for the Board's consideration. The Board gives less weight to appellant's comparable #1 which appears to be an outlier due to its considerably lower improvement assessment than the other comparables in the record. The Board finds the best evidence of assessment equity to be the remaining comparables which are similar to the subject in location, design, dwelling size, age, and most features. These comparables have improvement assessments that range from \$124,209 to \$157,737 or from \$37.81 to \$47.59 per square foot of living area. The subject's improvement assessment of \$141,625 or \$43.91 per square foot of living area falls within the range established by the best comparables in the record. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
