

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Elaine Teschner  
DOCKET NO.: 21-01528.001-R-1  
PARCEL NO.: 13-11-300-219

The parties of record before the Property Tax Appeal Board are Elaine Teschner, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$8,187  
**IMPR.:** \$76,449  
**TOTAL:** \$84,636

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 1-story condominium dwelling unit of wood siding exterior construction with 1,316 square feet of living area.<sup>1</sup> The dwelling was constructed in 1979. Features of the home include a basement with finished area, central air conditioning, a fireplace, and a 242 square foot garage. The property has a 1,316 square foot site and is located in Lake Barrington, Cuba Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within 0.53 of a mile from the subject. The comparables have 1,314 or 1,333 square foot lots that are improved with 1-story

<sup>1</sup> The parties differ regarding the subject's dwelling size. The Board finds the best evidence of dwelling size is found in the subject's property record card presented by the board of review, which was not refuted by the appellant in written rebuttal.

condominium dwelling units of frame exterior construction with 1,314 or 1,333 square feet of living area. The dwellings were built from 1977 to 1981. Each home has a basement with finished area, two of which are walkout basements and one of which is a lookout basement, central air conditioning, one or two fireplaces, and a 242 square foot garage. The comparables sold from September 2019 to April 2021 for prices ranging from \$175,000 to \$261,000 or from \$133.18 to \$195.80 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$84,636. The subject's assessment reflects a market value of \$254,544 or \$193.42 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue. In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within 0.23 of a mile from the subject. Comparable #3 is the same property as the appellant's comparable #3. The comparables have 1,320 square foot lots improved with 1-story condominium dwelling units of wood siding exterior construction with 1,316 square feet of living area. The dwellings were built from 1979 to 1981. Each home has a basement with finished area, central air conditioning, two fireplaces, and a 242 square foot garage. The comparables sold from April to December 2021 for prices ranging from \$261,000 to \$360,000 or from \$198.33 to \$273.56 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight equity comparables, with one common comparable, for the Board's consideration. The Board gives less weight to the appellant's comparable #2 which sold less proximate in time to the assessment date than other comparables in this record.

The Board finds the best evidence of market value to be the appellant's comparables #1, #3, #4, and #5 and the board of review's comparables, which includes the common comparable. These comparables sold more proximate in time to the assessment date and are similar to the subject in dwelling size, age, location, lot size, and features. These most similar comparables sold for prices ranging from \$175,000 to \$360,000 or from \$133.18 to \$273.56 per square foot of living area, including land. The subject's assessment reflects a market value of \$254,544 or \$193.42 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
