

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Wen Zhao  
DOCKET NO.: 21-01532.001-R-1  
PARCEL NO.: 15-15-102-057

The parties of record before the Property Tax Appeal Board are Wen Zhao, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$31,011  
**IMPR.:** \$82,140  
**TOTAL:** \$113,151

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a part 1-story and 2-story townhome<sup>1</sup> of wood siding exterior construction with 2,478 square feet of living area. The dwelling was constructed in 1997. Features of the home include a concrete slab foundation, central air conditioning, a fireplace, and a 438 square foot garage. The property is located in Vernon Hills, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within the same assessment neighborhood code as the subject. The appellant reported the comparables are improved with 1-

story homes of frame exterior construction and are the same model as the subject. The dwellings were built in 1997 or 1998. Each home has central air conditioning and a 438 square foot garage. The comparables sold from July 2019 to July 2020 for prices ranging from \$318,000 to \$355,000 or from \$128.33 to \$143.26 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$113,151. The subject's assessment reflects a market value of \$340,304 or \$137.33 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue. In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within the same neighborhood assessment code as the subject and within 0.14 of a mile from the subject. Comparable #5 is the same property as the appellant's comparable #3. The comparables are improved with 2-story townhomes of wood siding exterior construction ranging in size from 2,319 to 2,478 square feet of living area. The dwellings were built in 1997 or 1998. Each home has a concrete slab foundation, central air conditioning, and a garage ranging in size from 399 to 438 square feet of building area. Four homes have a fireplace. The comparables sold from March 2020 to June 2021 for prices ranging from \$322,000 to \$372,000 or from \$129.94 to \$160.41 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of seven comparable sales, with one common sale, for the Board's consideration. The Board gives less weight to the appellant's comparable #1, which sold less proximate in time to the assessment date than the other comparables in this record.

The Board finds the best evidence of market value to be the appellant's comparable #2, the appellant's comparable #3/board of review's comparable #5, and the board of review's comparables #1 through #4, which are similar to the subject in design, dwelling size, age, location, and features and sold more proximate in time to the assessment date. These comparables sold for prices ranging from \$318,000 to \$372,000 or from \$128.33 to \$160.41 per square foot of living area, including land. The subject's assessment reflects a market value of \$340,304 or \$137.33 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
