

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Deepan Senguttuvan
DOCKET NO.: 21-01534.001-R-1
PARCEL NO.: 15-33-415-010

The parties of record before the Property Tax Appeal Board are Deepan Senguttuvan, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$29,711
IMPR.: \$83,611
TOTAL: \$113,322

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 1,982 square feet of living area. The dwelling was constructed in 1989. Features of the home include a basement with finished area, central air conditioning, a fireplace, and a 397 square foot garage. The property has a 2,931 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within 0.25 of a mile from the subject. The parcels range in size from 3,202 to 10,248 square feet of land area and are improved with 2-story homes of frame exterior construction ranging in size from 1,982 to 2,266 square feet of living area. The dwellings were built from 1987 to 1994. One home has a basement. Each home has central air conditioning, a fireplace, and a garage ranging in size from

397 to 420 square feet of building area. The comparables sold from February to November 2020 for prices ranging from \$241,000 to \$333,000 or from \$121.59 to \$147.35 per square foot of living area, including land.

The appellant also disclosed the subject sold in December 2019 for a price of \$310,000 or \$156.41 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$113,322. The subject's assessment reflects a market value of \$340,818 or \$171.96 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.18 of a mile from the subject. Comparable #5 is the same property as the appellant's comparable #2. The parcels range in size from 2,610 to 10,250 square feet of land area and are improved with 2-story homes of wood siding exterior construction ranging in size from 1,860 to 2,266 square feet of living area. The dwellings were built from 1989 to 1995. Three homes each have a basement and two homes each have a concrete slab foundation. Each home has central air conditioning, a fireplace, and a 400 or a 420 square foot garage. The comparables sold from April 2020 to September 2021 for prices ranging from \$288,111 to \$385,002 or from \$154.90 to \$194.10 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight comparable sales, with one common sale, and evidence of a December 2019 sale of the subject property for the Board's consideration. The Board gives less weight to the December 2019 sale of the subject, which occurred more remote in time from the assessment date and is less likely to be indicative of market value as of the assessment date. The Board gives less weight to the appellant's comparables #1, #2, and #3 and the board of review's comparables #1 and #5, including the common sale, due to substantial differences from the subject in foundation type.

The Board finds the best evidence of market value to be the appellant's comparable #4 and the board of review's comparables #2, #3, and #4, which are relatively similar to the subject in dwelling size, age, location, and features. These most similar comparables sold for prices

ranging from \$333,000 to \$385,002 or from \$146.95 to \$194.10 per square foot of living area, including land. The subject's assessment reflects a market value of \$340,818 or \$171.96 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
