

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Christopher Pearson
DOCKET NO.: 21-01537.001-R-1
PARCEL NO.: 13-21-201-005

The parties of record before the Property Tax Appeal Board are Christopher Pearson, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$43,933
IMPR.: \$165,556
TOTAL: \$209,489

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding and brick exterior construction with 3,712 square feet of living area.¹ The dwelling was constructed in 1988. Features of the home include a basement with finished area, central air conditioning, two fireplaces, and a 704 square foot garage. The property has a 50,437 square foot site and is located in Lake Barrington, Cuba Township, Lake County.

¹ The parties differ regarding the subject's dwelling size. The Board finds the best evidence of dwelling size is found in the subject's property record card presented by the board of review which contains a sketch with measurements of the subject home and was not refuted by the appellant in written rebuttal.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on nine comparable sales presented in two grid analyses.² The comparables are located from 0.05 of a mile to 1.69 miles from the subject. The parcels range in size from 38,100 to 132,747 square feet of land area and are improved with 2-story homes of frame or brick and frame exterior construction ranging in size from 3,461 to 4,609 square feet of living area. The dwellings were built from 1989 to 1994. Each home has a basement, six of which have finished area and three of which are walkout basements, central air conditioning, one to three fireplaces, and a garage ranging in size from 672 to 936 square feet of building area. Comparable #5 has an inground swimming pool. The comparables sold from November 2019 to February 2021 for prices ranging from \$490,000 to \$605,000 or from \$123.83 to \$149.15 per square foot of living area, including land.

Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$209,489. The subject's assessment reflects a market value of \$630,042 or \$169.73 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located from 0.29 of a mile to 1.69 miles from the subject. The parcels range in size from 40,280 to 78,310 square feet of land area and are improved with 2-story homes of brick and/or wood siding exterior construction ranging in size from 3,581 to 3,863 square feet of living area. The dwellings were built from 1990 to 2007. Each home has a basement, four of which have finished area, central air conditioning, one to three fireplaces, and a garage ranging in size from 720 to 1,032 square feet of building area. Comparable #1 has an inground swimming pool. The comparables sold from June 2020 to September 2021 for prices ranging from \$640,000 to \$801,000 or from \$178.72 to \$208.49 per square foot of living area, including land.

Based on this evidence the board of review requested the subject's assessment be sustained.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of fourteen comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1 and #3 through #9 and the board of

review's comparables #1, #3, #4, and #5, which are located more than one mile from the subject and/or differ substantially from the subject in dwelling size, lot size, age, and/or inground swimming pool amenity. Moreover, the appellant's comparable #5 sold less proximate in time to the assessment date than the other comparables in this record.

The Board finds the best evidence of market value to be the appellant's comparable #2 and the board of review's comparable #2, which are similar to the subject in dwelling size, age, location, lot size, and features. These most similar comparables sold for prices of \$555,000 and \$715,000 or for \$153.06 and \$190.36 per square foot of living area, including land, respectively. The subject's assessment reflects a market value of \$630,042 or \$169.73 per square foot of living area, including land, which is bracketed by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
