

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Bryce Fuller
DOCKET NO.: 21-01540.001-R-1
PARCEL NO.: 04-21-309-008

The parties of record before the Property Tax Appeal Board are Bryce Fuller, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$5,031
IMPR.: \$49,127
TOTAL: \$54,158

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of brick exterior construction with 1,920 square feet of living area. The dwelling was constructed in 1965. Features of the home include a basement, central air conditioning, and a 529 square foot garage. The property has a 6,960 square foot site and is located in Zion, Zion Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.93 of a mile from the subject. The parcels range in size from 9,240 to 14,300 square feet of land area and are improved with 1-story homes of brick, wood siding, or brick and aluminum siding exterior construction ranging in size from 1,872 to 2,472 square feet of living area. The dwellings were built from 1966 to 1992. Each home has a basement and a garage ranging in size from 288 to 624 square feet of building area. Two homes have central air conditioning and one home has a

fireplace. The comparables sold from July to November 2019 for prices ranging from \$117,000 to \$145,000 or from \$47.33 to \$69.44 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$54,158. The subject's assessment reflects a market value of \$162,881 or \$84.83 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within 0.76 of a mile from the subject. The parcels range in size from 13,500 to 44,580 square feet of land area and are improved with 1-story or split-level homes of brick or aluminum siding exterior construction ranging in size from 1,760 to 2,444 square feet of living area. The dwellings were built from 1965 to 1996. One home has a basement, one home has a crawl space foundation, one home has a lower level, and one home has a concrete slab foundation. Two homes have central air conditioning and three homes each have a garage ranging in size from 528 to 1,012 square feet of building area. The comparables sold from July 2020 to November 2021 for prices ranging from \$210,000 to \$235,000 or from \$94.52 to \$119.32 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of seven comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables, which sold less proximate in time to the assessment date than other comparables in this record. The Board gives less weight to the board of review's comparables #3 and #4, due to substantial differences from the subject in design, dwelling size, age, and/or garage amenity.

The Board finds the best evidence of market value to be the board of review's comparables #1 and #2, which are relatively similar to the subject in dwelling size, age, location, and some features, although these comparables have larger lots and garages than the subject and one comparable lacks a basement and central air conditioning which are features of the subject, suggesting adjustments to these comparables would be needed to make them more equivalent to the subject. These two most similar comparables sold for prices of \$215,000 and \$235,000 or for \$109.08 and \$108.80 per square foot of living area, including land, respectively. The subject's assessment reflects a market value of \$162,881 or \$84.83 per square foot of living area,

including land, which is below the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
