

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Gabriela Jasovic
DOCKET NO.: 21-01547.001-R-1
PARCEL NO.: 13-21-108-009

The parties of record before the Property Tax Appeal Board are Gabriela Jasovic, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$37,486
IMPR.: \$133,358
TOTAL: \$170,844

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a part 1-story part 2-story dwelling¹ of frame with brick exterior construction with 3,650 square feet of living area. The dwelling was constructed in 2001. Features of the home include a basement with finished area, central air conditioning, a fireplace, and a 704 square foot garage. The property has a 16,117 square foot site and is located in Fox River Grove, Cuba Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.29 of a mile from the subject. The comparables have 15,246 or 17,860 square foot sites that are improved with 2-story homes of frame or frame with brick exterior construction with 3,650 or 4,287 square feet of

¹ The parties reported the subject is a 1-story home but also reported above ground living area that is greater than the reported ground floor living area, suggesting this home has second floor living area.

living area. The dwellings were built from 2001 to 2003. Each home has a basement with finished area, central air conditioning, one or two fireplaces, and a 687 or a 704 square foot garage. The comparables sold from January to October 2020 for prices ranging from \$440,000 to \$491,000 or from \$111.97 to \$134.52 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$170,844. The subject's assessment reflects a market value of \$513,817 or \$140.77 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue. In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.22 of a mile from the subject. The parcels range in size from 14,810 to 19,170 square feet of land area and are improved with part 1-story part 2-story or 2-story homes² of wood siding or wood siding and brick exterior construction ranging in size from 3,440 to 3,694 square feet of living area. The dwellings were built from 2000 to 2003. Each home has a basement, one of which has finished area, central air conditioning, a fireplace, and a 693 or a 704 square foot garage. The comparables sold from March to October 2021 for prices ranging from \$538,000 to \$615,000 or from \$147.40 to \$168.60 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparable #3 and the board of review's comparables #1, #3, #4, and #5, due to substantial differences from the subject in dwelling size or basement finish.

The Board finds the best evidence of market value to be the appellant's comparables #1 and #2 and the board of review's comparable #2, which are similar to the subject in dwelling size, age, location, lot size, and features. These most similar comparables sold for prices ranging from \$440,000 to \$580,000 or from \$120.55 to \$168.60 per square foot of living area, including land. The subject's assessment reflects a market value of \$513,817 or \$140.77 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

² The board of review reported comparables #3 and #4 are 1-story homes but also reported above ground living area that is greater than their ground floor living area, suggesting these homes have second floor living area.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
