

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Anand Pattabiraman  
DOCKET NO.: 21-01553.001-R-1  
PARCEL NO.: 14-15-409-040

The parties of record before the Property Tax Appeal Board are Anand Pattabiraman, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$49,661  
**IMPR.:** \$243,080  
**TOTAL:** \$292,741

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of wood siding exterior construction with 3,930 square feet of living area. The dwelling was constructed in 2017. Features of the home include a basement, central air conditioning, and an 803 square foot garage. The property has an approximately 20,007 square foot site and is located in Kildeer, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within 0.37 of a mile from the subject. The parcels range in size from 13,802 to 33,166 square feet of land area and are improved with 2-story homes of frame exterior construction ranging in size from 3,918 to 4,348 square feet of living area. The dwellings were built from 2013 to 2018. Each home has a basement, one of which is a lookout basement, central air conditioning, one or two fireplaces, and a garage ranging in size from 744 to 946 square feet of building area. The comparables sold

from October 2019 to October 2020 for prices ranging from \$540,000 to \$879,900 or from \$137.83 to \$221.53 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$292,741. The subject's assessment reflects a market value of \$880,424 or \$224.03 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue. In support of its contention of the correct assessment the board of review submitted information on four comparable sales where comparables #2 and #4 are the same properties as the appellant's comparables #5 and #1, respectively. Comparables #1 and #3 are located within 0.22 of a mile from the subject and have 30,000 or 30,010 square foot sites. These two comparables are improved with 2-story homes of brick or wood siding exterior construction, have 3,545 or 3,968 square feet of living area, and were built in 2012 or 2015. Each home features a basement, central air conditioning, a fireplace, and a 793 or an 834 square foot garage. The comparables sold in February and July 2021 for prices of \$889,000 or \$923,800 or for \$250.78 or \$232.81 per square foot of living area, including land, respectively. Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of seven comparable sales, with two common sales, for the Board's consideration. The Board gives less weight to the appellant's comparables #3 and #4 and the appellant's comparable #5/board of review's comparable #2, which sold less proximate in time to the assessment date than the other comparables in this record.

The Board finds the best evidence of market value to be the appellant's comparable #1/board of review's comparable #4, the appellant's comparable #2, and the board of review's comparables #1 and #3, which are similar to the subject in dwelling size, age, location, and features, although these comparables have larger lots than the subject, suggesting downward adjustments to these comparables would be needed to make them more equivalent to the subject. These comparables sold for prices ranging from \$850,000 to \$923,800 or from \$206.86 to \$250.78 per square foot of living area, including land. The subject's assessment reflects a market value of \$880,424 or \$224.03 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
