

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ramanjeet Johar
DOCKET NO.: 21-01577.001-R-1
PARCEL NO.: 15-07-209-049

The parties of record before the Property Tax Appeal Board are Ramanjeet Johar, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$37,922
IMPR.: \$158,112
TOTAL: \$196,034

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick and wood siding exterior construction with 3,883 square feet of living area. The dwelling was constructed in 1993 and has an effective age of 1996. Features of the home include a basement with finished area, central air conditioning, a fireplace and a garage containing 564 square feet of building area. The property has a 14,810 square foot site and is located in Vernon Hills, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located in the same neighborhood code as the subject that are located within 0.12 of a mile from the subject property. The comparables have sites that range in size from 12,632 to 16,117 square feet on land area. The comparables are described as 2-story dwellings of brick or frame exterior construction that were built from 1993 to 2001 and range in size from 3,810 to 4,162 square feet of living area. Each comparable has a basement, two with finished area. Each comparable has central air conditioning, a fireplace and a garage ranging in size from 736 to 933 square feet of building area. The comparables sold from April 2018 to November 2020 for prices ranging from

\$469,900 to \$565,000 or from \$119.39 to \$140.42 per square foot of living area, land included. Based on this evidence, the appellant requested a reduction in the subject's total assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$196,034. The subject's assessment reflects a market value of \$589,576 or \$155.64 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located in the same neighborhood code as the subject that are located within 0.10 of a mile from the subject property. The comparables have sites that range in size from 11,330 to 15,680 square feet on land area. The comparables are described as 2-story dwellings of brick or brick and wood siding exterior construction that were built from 1993 to 2000. The dwellings range in size from 3,032 to 4,017 square feet of living area. Each comparable has a basement, three with finished area. Each comparable has central air conditioning, a fireplace and a garage ranging from 552 to 918 square feet of building area. The comparables sold from October 2020 to August 2021 for prices ranging from \$515,000 to \$702,000 or from \$158.14 to \$179.10 per square foot of living area, land included. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the parties submitted seven comparable sales to support their respective positions. The Board gives less weight to the appellant's comparables #1 and #2 due to their sale dates occurring in 2018, which are less proximate in time to the January 1, 2021 assessment date given other sales available in the record. The Board gave less weight to the board of review comparables #3 and #4 due to their unfinished basement or dissimilar dwelling size when compared to the subject.

The Board finds the best evidence of market value to be the appellant's comparable #3 along with the board of review comparables #1 and #2. The Board finds these comparables sold proximate in time to the assessment date at issue and are relatively similar to the subject in location, dwelling size, design, age and features. These comparables sold from October 2020 to August 2021 for prices ranging from \$535,000 to \$702,000 or from \$140.42 to \$179.10 per square foot of living area, including land. The subject's assessment reflects a market value of \$589,576 or \$155.64 per square foot of living area, including land, which falls within established by the best comparable sales in this record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
