

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ramanjeet Johar
DOCKET NO.: 21-01578.001-R-1
PARCEL NO.: 15-15-107-112

The parties of record before the Property Tax Appeal Board are Ramanjeet Johar, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$33,916
IMPR.: \$97,733
TOTAL: \$131,649

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story townhome of brick exterior construction with 1,558 square feet of living area. The dwelling was constructed in 2016. Features of the home include a finished lower level, central air conditioning and a garage containing 420 square feet of building area. The property has an approximately 1,059 square foot site and is located in Vernon Hills, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located in the same neighborhood code as the subject that are located within 0.09 of a mile from the subject property. The comparables have sites that range in size from 1,063 to 1,468 square feet on land area. The comparables are described as 2-story townhomes of brick and frame exterior construction that were built from 2009 to 2019 that range in size from 1,484 to 1,976 square feet of living area. Each comparable has a lower level, three with finished lower level. Each comparable has central air conditioning and a garage ranging in size from 420 to 1,365 square feet of building area. The comparables sold from May 2018 to January 2020 for prices ranging from \$337,000 to \$416,000 or from

\$201.22 to \$227.09 per square foot of living area, land included. Based on this evidence, the appellant requested a reduction in the subject's total assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$131,649. The subject's assessment reflects a market value of \$395,937 or \$254.13 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located in the same neighborhood code as the subject that are located within 0.05 of a mile from the subject property. Comparables #2, #3 and #4 have sites of 1,060 or 1,420 square feet of land area. The comparables are described as 2-story townhomes of brick exterior construction that were built in 2016. The dwellings contain either 1,484 or 1,558 square feet of living area. Each comparable has finished lower level, central air conditioning and a garage containing 420 square feet of building area. Two comparable each have a fireplace. The comparables sold from March to August 2021 for prices ranging from \$395,000 to \$453,000 or from \$266.17 to \$290.76 per square foot of living area, land included. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the parties submitted nine comparable sales to support their respective positions. The Board gives less weight to the appellant's comparables due to either their dissimilar dwelling size when compared to the subject or their remote sale dates occurring in 2018, which is less proximate in time to the January 1, 2021 assessment date given other sales available in the record.

The Board finds the best evidence of market value to be the board of review comparables. The Board finds these comparables sold proximate in time to the assessment date at issue and are similar to the subject in location and dwelling size and identical to the subject in design, age and some features. These comparables sold from March to August 2021 for prices ranging from \$395,000 to \$453,000 or from \$266.17 to \$290.76 per square foot of living area, including land. The subject's assessment reflects a market value of \$395,937 or \$254.13 per square foot of living area, including land, which falls within established by the best comparable sales on an overall market value but within the range on a price per square foot basis. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Therefore, based on this record the Board finds no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
