

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kristi Kozlov
DOCKET NO.: 21-01581.001-R-1
PARCEL NO.: 15-28-103-029

The parties of record before the Property Tax Appeal Board are Kristi Kozlov, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$39,598
IMPR.: \$101,404
TOTAL: \$141,002

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a tri-level dwelling of wood siding exterior construction with 1,409 square feet of above ground living area. The dwelling was constructed in 1987. Features of the home include a lower level, a basement with finished area, central air conditioning and a garage with 420 square feet of building area. The property has a 10,542 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located in the same neighborhood code as the subject property and within 0.61 of a mile from the subject property. The comparables are reported to have sites ranging in size from 8,756 to 10,759 square feet on land area. These comparables are described as split-level dwellings of frame exterior construction that were built in 1987 and 1989 with each containing 1,409 square feet of above ground living area. Each comparable has a lower level, a basement with finished area, central air conditioning, one or two fireplaces and a garage containing 420 square feet of building area. The comparables sold from June 2019 to April 2020 for prices ranging from \$315,000 to \$395,000 or from \$223.56 to

\$280.34 per square foot of above ground living area, land included. Based on this evidence, the appellant requested a reduction in the subject's total assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$141,002. The subject's assessment reflects a market value of \$424,066 or \$300.97 per square foot of above ground living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales. The comparables are located in the same neighborhood code as the subject and within 0.40 of a mile from the subject property. The comparables have sites that range in size from 9,000 to 12,240 square feet on land area. The comparables are described as tri-level dwellings of wood siding exterior construction that were built in 1987 and 1988. The dwellings each contain 1,409 square feet of above ground living area. Each comparable has a lower level, a basement with finished area, central air conditioning and a garage containing 420 square feet of building area. The comparables sold from October 2020 to July 2021 for prices ranging from \$423,500 to \$433,000 or from \$300.57 to \$307.31 per square foot of above ground living area, land included. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #3 and #4 due to their remote sale dates occurring in 2019, which is less proximate in time to the January 1, 2021 assessment date given other sales available in the record.

The Board finds the best evidence of market value to be the appellant's comparables #1 and #1 along with the board of review comparables. The Board finds these comparables these comparables sold proximate in time to the assessment date at issue and are identical or nearly identical to the subject in location, dwelling size, age and features. These comparables sold from April 2020 to July 2021 for prices ranging from \$337,500 to \$433,000 or from \$239.53 to \$307.31 per square foot of above ground living area, including land. The subject's assessment reflects a market value of \$424,066 or \$300.97 per square foot of above ground living area, including land, which falls within the range established by the best comparable sales in this record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
