

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Hong Ding  
DOCKET NO.: 21-01584.001-R-1  
PARCEL NO.: 15-13-306-019

The parties of record before the Property Tax Appeal Board are Hong Ding, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$65,772  
**IMPR.:** \$129,265  
**TOTAL:** \$195,037

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of brick and frame exterior construction with 2,840 square feet of living area. The dwelling was constructed in 1980. Features of the home include a basement with finished area, central air conditioning, a fireplace and a 650 square foot garage. The property has an 20,038 square foot site and is located in Lincolnshire, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on five comparable sales located in the same neighborhood code as the subject and within 0.96 of a mile from the subject property. The comparables have sites that range in size from 14,810 to 20,909 square feet of land area. The comparables are improved with 2-story dwellings of frame or brick and frame exterior construction ranging in size from 2,708 to 3,530 square feet of living area that were built from 1973 to 1985, with comparables #1, #3 and #4 having effective years built of 1981, 1975 and 1986, respectively. The appellant reported that each comparable has a basement with finished area, central air conditioning and a

garage ranging in size from 456 to 1,254 square feet of building area. Four comparables each have one or two fireplaces. The comparables sold from July 2019 to November 2020 for prices ranging from \$485,000 to \$635,000 or from \$165.53 to \$202.29 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$195,037. The subject's assessment reflects a market value of \$586,577 or \$206.54 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales located in the same neighborhood code as the subject and within 0.78 of a mile from the subject property. The comparables have sites that range in size from 20,040 to 22,220 square feet of land area. The comparables are improved with 1.5-story or 2-story dwellings of brick or wood siding exterior construction that range in size from 2,801 to 2,905 square feet of living area that were built from 1967 to 1974, with comparable #3 having an effective year built of 1972. Each comparable has a basement with finished area, central air conditioning, a fireplace and a garage ranging in size from 456 to 575 square feet of building area. The comparables sold from August 2020 to September 2021 for prices ranging from \$610,000 to \$710,000 or from \$216.77 to \$246.33 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains ten suggested comparable sales for the Board's consideration. The Board has given less weight to the appellant's comparable #4 due to its larger dwelling size when compared to the subject. The Board has given reduced weight to the appellant's comparables #1 and #2 due to their remote sale dates occurring in 2019, which is less proximate in time to the January 1, 2021 assessment date given other sales available in the record.

The Board finds the best evidence of market value to be the appellant's comparables #3 and #5 along with the board of review comparables. The Board finds that these comparables sold proximate in time to the assessment date at issue and are relatively similar to the subject in location, design, dwelling size, age and features. The comparables sold from January 2020 to September 2021 for prices ranging from \$514,000 to \$710,000 or from \$189.81 to \$246.33 per square foot of living area, including land. The subject's assessment reflects a market value of \$586,577 or \$206.54 per square foot of living area, including land, which falls within the range established by the best comparable sales contained in this record. Based on this record and after

considering adjustments to the best comparables for differences when compared to the subject, the Board finds no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
