

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Adam Kramer  
DOCKET NO.: 21-01585.001-R-1  
PARCEL NO.: 15-06-401-018

The parties of record before the Property Tax Appeal Board are Adam Kramer, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$33,811  
**IMPR.:** \$100,489  
**TOTAL:** \$134,300

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of wood siding exterior construction with 2,396 square feet of living area. The dwelling was constructed in 1989. Features of the home include a basement with finished area, central air conditioning, two fireplaces and a 448 square foot garage. The property has an 11,595 square foot site and is located in Vernon Hills, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on five comparable sales located in the same neighborhood code as the subject and within 0.73 of a mile from the subject property. The comparables have sites that range in size from 7,524 to 12,867 square feet of land area. The comparables are improved with 2-story dwellings of frame exterior construction ranging in size from 2,396 to 3,347 square feet of living area that were built from 1990 to 1993, with comparable #1 having an effective year built of 1994. The appellant reported that each comparable has a basement with finished area, central air conditioning and a garage ranging in size from 448 to 704 square feet of building

area. Two comparables each have a fireplace. The comparables sold from July to September 2020 for prices ranging from \$356,000 to \$415,000 or from \$119.51 to \$167.74 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$134,300. The subject's assessment reflects a market value of \$403,910 or \$168.58 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales located in the same neighborhood code as the subject and within 0.61 of a mile from the subject property. The comparables have sites that range in size from 7,520 to 19,790 square feet of land area. The comparables are improved with 2-story dwellings of wood siding or brick and wood siding exterior construction that range in size from 2,363 to 2,499 square feet of living area and were built from 1989 to 1992. Each comparable has a basement, four with finished area, central air conditioning, a fireplace and a garage ranging in size from 380 to 484 square feet of building area. The comparables sold from April to December 2021 for prices ranging from \$410,000 to \$484,000 or from \$171.12 to \$193.68 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains ten suggested comparable sales for the Board's consideration. The Board has given less weight to the appellant's comparable #1 due to its larger dwelling size when compared to the subject. The Board has given reduced weight to the board of review comparable #3 due to its unfinished basement when compared to the subject's finished basement and the other available sales in the record.

The Board finds the best evidence of market value to be the parties' remaining comparables. The Board finds that these comparables are relatively similar to the subject in location, design, dwelling size, age and features. The comparables sold from July 2020 to December 2021 for prices ranging from \$356,000 to \$484,000 or from \$134.70 to \$193.68 per square foot of living area, including land. The subject's assessment reflects a market value of \$403,910 or \$168.58 per square foot of living area, including land, which falls within the range established by the best comparable sales contained in this record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
