

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Richard Kaye
DOCKET NO.: 21-01608.001-R-1
PARCEL NO.: 15-36-210-001

The parties of record before the Property Tax Appeal Board are Richard Kaye, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$75,135
IMPR.: \$130,554
TOTAL: \$205,689

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 3,118 square feet of living area. The dwelling was constructed in 1997 and is 24 years old. Features of the home include a basement with finished area, central air conditioning, a fireplace and a 506 square foot garage. The property has an approximately 14,440 square foot site and is located in Riverwoods, Vernon Township, Lake County.

The subject property is an owner-occupied residence that was the subject matter of an appeal before the Property Tax Appeal Board the prior year under Docket Number 20-02676.001-R-1. In that appeal, the Property Tax Appeal Board rendered a decision lowering the assessment of the subject property to \$206,391 based on the evidence. In its submission, the board of review reported that 2019 was the beginning of the subject's general assessment cycle.

The appellant contends assessment inequity, with respect to the improvement assessment, as the basis of the appeal. In support of the inequity argument, the appellant submitted information on four comparables located in the same assessment neighborhood code as the subject property which have varying degrees of similarity to the subject in location, age, dwelling size and features. The comparables have improvement assessments ranging from \$100,720 to \$117,876 or from \$32.41 to \$37.52 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$109,207 or \$35.02 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$211,806. The subject has an improvement assessment of \$136,671 or \$43.83 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on five comparables located in the same assessment neighborhood code as the subject property. The comparables have varying degrees of similarity to the subject in location, age, dwelling size and features. The comparables have improvement assessments ranging from \$135,260 to \$144,694 or from \$43.35 to \$46.41 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds, pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185), a reduction in the subject's assessment is warranted.

The Property Tax Appeal Board finds that the subject property was the matter of an appeal before this Board for a prior tax year under Docket Number 20-02676.001-R-1. In that appeal, the Property Tax Appeal Board rendered a decision lowering the subject's assessment to \$206,391. The Property Tax Appeal Board takes notice that Vernon Township's general assessment period began in the 2019 tax year and continues through the 2022 tax year. The Board also finds this record shows that a 0.9966 equalization factor was issued in Vernon Township for the 2021 tax year. The Board further finds section 16-185 of the Property Tax Code is controlling in this appeal (35 ILCS 200/16-185).

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) states in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash

value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The Board finds the subject property is an owner-occupied residence and that the 2020 and 2021 tax years are within the same general assessment period for Vernon Township. The record contains no evidence showing the subject property sold in an arm's length transaction establishing a different fair cash value. For these reasons, the Property Tax Appeal Board finds that the prior year's decision should be carried forward to the 2021 tax year pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) and a reduction in the subject's assessment is warranted to reflect the Board's prior year's decision plus the application of the 2021 equalization factor of 0.9966. ($\$206,391 \times 0.9966 = \$205,689$).

Additionally, notwithstanding the dictates of Section 16-185 of the Property Tax Code, the record contains nine equity comparables. These properties have improvement assessments ranging from \$100,720 to \$144,694 or from \$32.41 to \$46.41 per square foot of living area. The subject's assessment after reduction reflects an improvement assessment of \$130,554 or \$41.87 per square foot of living area, which falls within the range established by the comparables in this record. The Board finds on this record that the comparables demonstrate the subject property, once reduced as an owner-occupied property, is correctly valued for assessment purposes.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
