

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ruben Gordillo  
DOCKET NO.: 21-01617.001-R-1  
PARCEL NO.: 06-28-103-017

The parties of record before the Property Tax Appeal Board are Ruben Gordillo, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$6,043  
**IMPR.:** \$42,964  
**TOTAL:** \$49,007

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a bi-level dwelling of vinyl siding exterior construction with 792 square feet of living area. The dwelling was constructed in 1998. Features of the home include a finished lower level, central air conditioning, and a 440 square foot garage. The property has an approximately 4,360 square foot site and is located in Round Lake Beach, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.49 of a mile from the subject. The parcels range in size from 4,520 to 5,660 square feet of land area and are improved with bi-level homes of vinyl siding exterior construction with 1,056 or 1,080 square feet of living area. The dwellings were built from 1988 to 2006 with the oldest home having an effective age of 1993. Each home has a finished lower level, central air conditioning, and a garage ranging in

size from 480 to 552 square feet of building area. The comparables sold from April 2018 to October 2020 for prices ranging from \$155,000 to \$163,000 or from \$146.78 to \$150.93 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$49,007. The subject's assessment reflects a market value of \$147,389 or \$186.10 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue. In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within 0.68 of a mile from the subject. The comparables have 4,360 or 5,230 square foot sites that are improved with bi-level or tri-level homes of vinyl siding exterior construction ranging in size from 864 to 1,028 square feet of living area. The dwellings were built from 1962 to 2007. Each home has a finished lower level and central air conditioning. Two homes each have a fireplace and two homes each have a 380 or a 624 square foot garage. The comparables sold from February to December 2021 for prices ranging from \$187,500 to \$222,200 or from \$202.17 to \$217.01 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of six comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparable #3, which sold less proximate in time to the assessment date than the other comparables in this record, and to the board of review's comparable #1, due to substantial differences from the subject in age and garage amenity.

The Board finds the best evidence of market value to be the appellant's comparables #1 and #2 and the board of review's comparables #2 and #3, which are similar to the subject in age, location, lot size, and features, although these comparables are larger homes than the subject, suggesting downward adjustments to these comparables would be needed to make them more equivalent to the subject. These most similar comparables sold for prices ranging from \$155,000 to \$222,200 or from \$146.78 to \$216.15 per square foot of living area, including land. The subject's assessment reflects a market value of \$147,389 or \$186.10 per square foot of living area, including land, which is below the range established by the best comparable sales in terms of total market value and within the range on a price per square foot basis, which is logical given the subject is a smaller home than the best comparables. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
