

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mike Koski
DOCKET NO.: 21-01618.001-R-1
PARCEL NO.: 04-04-421-006

The parties of record before the Property Tax Appeal Board are Mike Koski, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$9,122
IMPR.: \$65,696
TOTAL: \$74,818

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of brick exterior construction with 1,588 square feet of living area. The dwelling was constructed in 1972. Features of the home include a basement, central air conditioning, a fireplace, a 613 square foot attached garage, and a 624 square foot detached garage. The property has a 15,960 square foot site and is located in Winthrop Harbor, Benton Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located from 0.06 of a mile to 1.43 miles from the subject. The parcels range in size from 8,890 to 11,200 square feet of land area and are improved with 1-story homes of wood siding, stone, or wood siding and brick exterior construction. The homes range in size from 1,288 to 1,763 square feet of living area and were built from 1962 to 1978. Each home has a basement and an attached or detached garage ranging

in size from 484 to 768 square feet of building area. Two homes have central air conditioning and two homes have one or two fireplaces. The comparables sold from May to December 2020 for prices ranging from \$160,000 to \$180,000 or from \$90.75 to \$129.66 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$74,818. The subject's assessment reflects a market value of \$225,017 or \$141.70 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located from 0.10 of a mile to 1.02 miles from the subject. The parcels range in size from 10,640 to 15,960 square feet of land area and are improved with 1-story homes of wood siding, brick, or wood siding and brick exterior construction. The homes range in size from 1,288 to 1,548 square feet of living area and were built from 1946 to 1988. Each home has a basement, central air conditioning, one or two fireplaces, and one or two garages ranging in size from 440 to 720 square feet of building area. The comparables sold from June to November 2020 for prices ranging from \$199,900 to \$237,000 or from \$148.74 to \$173.06 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of ten comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #3 and #5 and the board of review's comparables #1, #3, and #4, due to substantial differences from the subject in dwelling size or age and/or are located more than one mile from the subject.

The Board finds the best evidence of market value to be the appellant's comparables #1, #2, and #4 and the board of review's comparables #2 and #5, which are relatively similar to the subject in dwelling size, age, location, lot size, and features, although three of these comparables lack central air conditioning, and four of these comparables lack a second garage, which are features of the subject, and three of these comparables have smaller lots than the subject, suggesting upward adjustments to these comparables would be needed to make them more equivalent to the subject. These most similar comparables sold for prices ranging from \$160,000 to \$227,000 or from \$90.75 to \$165.94 per square foot of living area, including land. The subject's assessment

reflects a market value of \$225,017 or \$141.70 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
