

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Joshua Packer
DOCKET NO.: 21-01648.001-R-1
PARCEL NO.: 06-17-308-026

The parties of record before the Property Tax Appeal Board are Joshua Packer, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$6,912
IMPR.: \$17,998
TOTAL: \$24,910

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of vinyl siding exterior construction with 772 square feet of living area. The dwelling was constructed in 1938. Features of the home include a crawl space foundation and central air conditioning. The property has a 4,800 square foot site and is located in Round Lake Beach, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on three comparable sales that have the same assessment neighborhood code as the subject and are located within 1.06 miles from the subject property. The comparables have sites that range in size from 4,360 to 5,000 square feet of land area. The appellant reported the comparables are improved with 1-story dwellings of either vinyl or wood siding exterior construction ranging in size from 716 to 876 square feet of living area. The dwellings were built from 1934 to 1951, with comparable #3 having an effective age of 1957. Two comparables each have a crawl space foundation and one comparable has a concrete slab foundation. The comparables sold in either March or April 2019 for prices ranging from

\$55,000 to \$69,900 or from \$67.32 to \$90.78 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$24,910. The subject's assessment reflects a market value of \$74,912 or \$97.04 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales that have the same assessment neighborhood code as the subject and are located within .68 of a mile from the subject property. The comparables have sites that range in size from 4,000 to 13,950 square feet of land area. The board of review reported the comparables are improved with 1-story dwellings of vinyl siding exterior construction ranging in size from 660 to 885 square feet of living area. The dwellings were built from 1940 to 1960, with comparable #4 having an effective age of 1990. One comparable has a basement and four comparables each have a crawl space foundation. Four comparables each have central air conditioning and three comparables each have a garage ranging in size from 400 to 576 square feet of building area. The comparables sold from June to November 2020 for prices ranging from \$86,000 to \$145,000 or from \$130.30 to \$167.82 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains seven suggested comparable sales for the Board's consideration. The Board has given less weight to the appellant's comparables for their lack of central air conditioning or their sales occurring in 2019, which occurred less proximate in time to the assessment date than other sales in this record. The Board has also given less weight to the board of review comparables #1, #3 and #4 due to their differences from the subject in foundation style, age and/or a larger site size when compared to the subject.

The Board finds the best evidence of market value to be the board of review comparables #2 and #5, which are similar to the subject in location, dwelling size, design, age and some features. These comparables sold in August and November 2020 for prices of \$122,100 and \$126,000 or \$137.97 and \$145.83 per square foot of living area, including land. The subject's assessment reflects a market value of \$74,912 or \$97.04 per square foot of living area, including land, which falls below the two best comparable sales in the record, which is logical given that the comparables each have a garage, a feature the subject lacks. Based on this record and after

considering adjustments to the best comparables for differences when compared to the subject, the Board finds no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
