

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Radmilo Milosavljevic  
DOCKET NO.: 21-01649.001-R-1  
PARCEL NO.: 07-30-203-019

The parties of record before the Property Tax Appeal Board are Radmilo Milosavljevic, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$3,213  
**IMPR.:** \$30,084  
**TOTAL:** \$33,297

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story condominium of brick exterior construction with 1,110 square feet of living area. The dwelling was constructed in 1972. Features of the home include an unfinished basement and a garage containing 360 square feet of building area. The property is located in Grayslake, Warren Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on three comparable sales that have a different assessment neighborhood code as the subject and are located within .15 of mile from the subject property. The appellant reported the comparables are improved with 1-story condominiums of wood siding exterior construction containing either 961 or 980 square feet of living area. The dwellings were built in either 1984 or 1985. The comparables each have a concrete slab foundation and central air conditioning. The comparables sold from July 2020 to January 2021 for prices ranging from \$78,000 to \$91,500 or from \$79.59 to \$94.69 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$41,468. The subject's assessment reflects a market value of \$124,716 or \$112.36 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on three comparable sales that have a different assessment neighborhood code as the subject and are located within 1.95 miles from the subject property. The board of review reported the comparables are improved with 1-story condominiums of wood siding exterior construction each containing 1,200 square feet of living area. The dwellings were built in either 1977 or 1978. Each comparable has a concrete slab foundation and central air conditioning. The comparables sold from March to November 2020 for prices ranging from \$117,000 to \$121,000 or from \$97.50 to \$100.83 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The parties submitted six suggested comparables for the Board's consideration. The Board finds that none of the parties' comparables are truly similar to the subject. Nevertheless, the Board gives less weight to the board of review comparables due to their locations of being over 1.8 miles away from the subject.

The Board gives most weight to the appellant's comparables which are more similar in location to the subject and have varying degrees of similarity to the subject in age, size, and features. These comparables sold from July 2020 to January 2021 for prices ranging from \$78,000 to \$91,500 or from \$79.59 to \$94.69 per square foot of living area, including land. The subject's assessment reflects a market value of \$124,716 or \$112.36 per square foot of living area, including land, which falls above the range established by the best comparable sales in the record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
