

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Milosija Milosavljevic
DOCKET NO.: 21-01650.001-R-1
PARCEL NO.: 08-21-304-039

The parties of record before the Property Tax Appeal Board are Milosija Milosavljevic, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,940
IMPR.: \$24,318
TOTAL: \$27,258

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of aluminum siding exterior construction with 1,216 square feet of living area. The dwelling was constructed in 1920. Features of the home include an unfinished basement and a 300 square foot garage. The property has a 2,700 square foot site and is located in Waukegan, Waukegan Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on four comparable sales located from .40 of a mile to 1.32 miles from the subject property. One comparable is located in the same assessment neighborhood as the subject. The comparables have sites that range from 4,330 to 6,290 square feet of land area. The comparables are improved with either 1.5-story or 2-story dwellings of wood, aluminum or asbestos siding exterior construction ranging in size from 1,194 to 1,804 square feet of living area that were built from 1901 to 1930. The appellant reported that each comparable has an unfinished basement. Three comparables each have a garage ranging in size from 216 to 700 square feet of building area. The comparables sold from November 2019 to December 2020 for

prices ranging from \$42,500 to \$86,000 or from \$27.72 to \$57.33 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$27,258. The subject's assessment reflects a market value of \$81,979 or \$67.42 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales located within .52 of a mile from the subject property. One comparable is located in the same assessment neighborhood code as the subject. The comparables have sites that range from 3,990 to 7,300 square feet of land area. The comparables are improved with 2-story dwellings of either aluminum or wood siding exterior construction that range in size from 1,248 to 1,556 square feet of living area that were built from 1903 to 1925. Each comparable has an unfinished basement. Three comparables each have a garage ranging in size from 320 to 576 square feet of building area. One comparable has a fireplace. The comparables sold from May 2020 to November 2021 for prices ranging from \$117,000 to \$154,900 or from \$83.55 to \$113.23 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains nine suggested comparable sales for the Board's consideration. The Board has given less weight to the appellant's comparables #1, #2 and #4 along with the board of review comparables #1 and #5 due to their dissimilar dwelling size when compared to the subject. Furthermore, appellant's comparable #1 and board of review comparable #5 have larger garage sizes when compared to the subject. The Board gave reduced weight to the board of review comparable #4 due to its lack of a garage amenity, a feature of the subject.

The Board finds the best evidence of market value to be the appellant's comparable #3 along with the board of review comparable #2 and #3. The Board finds that these comparables are relatively similar to the subject in location, design, dwelling size, and features. The comparables sold from December 2020 to November 2021 for prices ranging from \$57,000 to \$154,900 or from \$47.74 to \$113.23 per square foot of living area, including land. The subject's assessment reflects a market value of \$81,979 or \$67.42 per square foot of living area, including land, which falls within the range of the best comparable sales in the record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
