

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Trang Luu
DOCKET NO.: 21-01680.001-R-1
PARCEL NO.: 16-15-302-017

The parties of record before the Property Tax Appeal Board are Trang Luu, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$49,528
IMPR.: \$70,677
TOTAL: \$120,205

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a tri-level dwelling of brick and wood siding exterior construction with 1,566 square feet of living area. The dwelling was constructed in 1957. Features of the home include a finished lower level, central air conditioning and a 378 square foot garage. The property has an approximately 11,730 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on three comparable sales located in the same neighborhood code as the subject and within .58 of a mile from the subject property. The comparables have sites that range from 13,390 to 16,430 square feet of land area. The comparables are improved with tri-level dwellings of either brick and wood siding or brick and aluminum siding exterior construction ranging in size from 1,537 to 1,716 square feet of living area that were built in either 1954 or 1955 with comparable #2 having an effective age of 1959. The appellant reported that each comparable has a finished lower level, a fireplace and a garage ranging in size from

350 to 460 square feet of building area. Two comparables each have central air conditioning. The comparables sold from January to April 2020 for prices of \$275,000 and \$340,000 or from \$178.92 to \$209.36 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$120,205. The subject's assessment reflects a market value of \$361,519 or \$230.86 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales located in the same neighborhood code as the subject and within .94 of a mile from the subject property. The comparables have sites ranging from 11,750 to 21,950 square feet of land area. The comparables are improved with tri level dwellings of brick or brick and wood siding exterior construction that range in size from 1,334 to 1,777 square feet of living area that were built from 1954 to 1957 with comparables #1, #3, #4 and #5 having effective ages ranging from 1974 to 1977. Each comparable has finished lower level with one comparable also having a basement and each home has central air conditioning. Two comparables each have either one or two fireplaces and two comparables each have a garage containing either 308 or 598 square feet of building area. The comparables sold from October 2020 to December 2021 for prices ranging from \$435,000 to \$587,000 or from \$283.57 to \$362.07 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains eight suggested comparable sales for the Board's consideration. The Board has given less weight to the appellant's comparable #1 along with the board of review comparables #1 and #2 due to their dissimilar dwelling size and/or lack of central air conditioning when compared to the subject.

The Board finds the best evidence of market value to be the appellant's comparables #2 and #3 along with the board of review comparables #3 through #5. The Board finds that these comparables are relatively similar to the subject in location, design, dwelling size, and features. The comparables sold from March 2020 to December 2021 for prices ranging from \$275,000 to \$525,000 or from \$178.92 to \$362.07 per square foot of living area, including land. The subject's assessment reflects a market value of \$361,519 or \$230.86 per square foot of living area, including land, which falls within the range of the best comparable sales in the record. Based on

this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
