

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Simone Stone
DOCKET NO.: 21-01681.001-R-1
PARCEL NO.: 15-33-301-161

The parties of record before the Property Tax Appeal Board are Simone Stone, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$31,207
IMPR.: \$102,153
TOTAL: \$133,360

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 2,266 square feet of living area. The dwelling was constructed in 1994 and is approximately 27 years old. Features of the home include a basement with finished area, central air conditioning, a fireplace and a garage with 400 square feet of building area. The property has a 3,049 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables that have the same assessment neighborhood code as the subject and are located within 0.12 of a mile from the subject property. The comparables are improved with 2-story dwellings of wood siding exterior construction each containing 2,266 square feet of living area. The dwellings range in age from 26 to 28 years old. The comparables each have a basement, two of which have finished area. Each comparable has central air conditioning, a fireplace and a garage containing 400 square feet of building area. The comparables have improvement assessments ranging from \$88,736 to \$96,452 or

from \$39.16 to \$42.56 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$92,566 or \$40.85 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$133,360. The subject property has an improvement assessment of \$102,153 or \$45.08 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on eight equity comparables that have the same assessment neighborhood code as the subject and are located within 0.13 of a mile from the subject property. Comparable #1 is a duplicate of appellant's comparable #2. The comparables are improved with 2-story dwellings of frame exterior construction that range in size from 1,932 to 2,536 square feet of living area. The dwellings were built from 1993 to 1995. The comparables each have a basement, three of which has finished area. Each comparable has central air conditioning and a garage ranging in size from 400 to 448 square feet of building area. Seven comparables each have a fireplace. The comparables have improvement assessments ranging from \$87,358 to \$114,602 or from \$39.26 to \$45.48 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eleven suggested comparables for the Board's consideration which includes the common comparable. The Board gave less weight to the appellant's comparables #1 and #2/board of review comparable #1 and the board of review comparables #1 through #5 due to their unfinished basements when compared to the subject's finished basement.

The Board finds the best evidence of assessment equity to be the parties' remaining comparables. The comparables are similar to the subject in location, dwelling size, design, age and some features. These comparables have improvement assessments that range from \$87,358 to \$114,602 or from \$42.30 to \$45.48 per square foot of living area. The subject property has an improvement assessment of \$102,153 or \$45.08 per square foot of living area which falls within the range established by the best comparables contained in this record. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
