

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Marek Sosenko
DOCKET NO.: 21-01682.001-R-1
PARCEL NO.: 15-23-403-011

The parties of record before the Property Tax Appeal Board are Marek Sosenko, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$65,772
IMPR.: \$103,624
TOTAL: \$169,396

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a split-level dwelling of brick exterior construction with 1,860 square feet of above ground living area. The dwelling was constructed in 1969 and is approximately 52 years old. Features of the home include a finished lower level, central air conditioning, a fireplace and a garage with 624 square feet of building area. The property has a 20,038 square foot site and is located in Lincolnshire, Vernon Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four suggested equity comparables located within the same assessment neighborhood as the subject property and within 0.89 of a mile from the subject property. The comparables are improved with split-level or 2-story dwellings of brick or wood siding exterior construction that range in size from 1,728 to 2,154 square feet of above ground living area. The dwellings range in age from 41 to 54 years old. Each comparable has a finished lower level, central air conditioning, one or two fireplaces and a garage ranging in size from 552 to 576 square feet of building area. The comparables have improvement assessments that range from \$72,587 to \$106,805 or from \$42.01 to \$50.10 per square foot of above

ground living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$85,885 or \$46.17 per square foot of above ground living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$169,396. The subject property has an improvement assessment of \$103,624 or \$58.05 per square foot of above ground living area.

In support of its contention of the correct assessment the board of review submitted the subject's property record card and a grid analysis of four suggested equity comparables located within the same assessment neighborhood as the subject property and within 0.89 of a mile from the subject property. The comparables are improved with split-level dwellings of brick or frame exterior construction ranging in size from 1,534 to 1,826 square feet of above ground living area. The dwellings were built from 1962 to 1986. Each comparable has a finished lower level, central air conditioning, one or two fireplaces and a garage ranging in size from 483 to 780 square feet of building area. The comparables have improvement assessments ranging from \$93,469 to \$107,123 or from \$57.32 to \$61.18 per square foot of above ground living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight suggested comparables for the Board's consideration. The Board gave less weight to the appellant's comparables #3 and #4 along with the board of review comparable #4 due to their dissimilar dwelling sizes when compared to the subject. The Board gave less weight to the board of review comparable #3 due to its newer age when compared to the subject.

The Board finds the best evidence of assessment equity are the appellant's comparables #1 and #2 along with the board of review comparables #1 and #2. These comparables are most similar to the subject in location, design, age, dwelling size and some features. They have improvement assessments ranging from \$72,587 to \$107,123 or from \$42.01 to \$57.32 per square foot of above ground living area. The subject's improvement assessment of \$103,624 or \$58.05 per square foot of above ground living area falls below the range established by the best comparables in the record. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
