

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jonathan Beckmann
DOCKET NO.: 21-01695.001-R-1
PARCEL NO.: 07-26-104-051

The parties of record before the Property Tax Appeal Board are Jonathan Beckmann, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$15,463
IMPR.: \$82,502
TOTAL: \$97,965

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 1,740 square feet of living area. The dwelling was constructed in 1989. Features of the home include an unfinished basement, central air conditioning, a fireplace and a 462 square foot garage. The property has an approximately 9,080 square foot site and is located in Gurnee, Warren Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on three comparable sales located within .27 of a mile from the subject property. The comparables have sites that range from 8,610 to 10,500 square feet of land area. The comparables are improved with 2-story dwellings of wood siding exterior construction ranging in size from 1,728 to 1,780 square feet of living area that were built from 1988 to 1990. The appellant reported that each comparable has a basement with finished area, central air conditioning, a fireplace and a garage containing 462 square feet of building area. The comparables sold from January 2019 to April 2020 for prices ranging from \$235,000 to \$295,000

or from \$133.67 to \$165.73 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$97,965. The subject's assessment reflects a market value of \$294,632 or \$169.33 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on three comparable sales located within .26 of a mile from the subject property. The comparables have sites that range from 8,880 to 12,070 square feet of land area. The comparables are improved with 2-story dwellings of wood siding exterior construction that contain either 1,652 or 1,680 square feet of living area that were built in either 1987 or 1990. Each comparable has a basement with finished area, central air conditioning, a fireplace and a garage containing 462 square feet of building area. The comparables sold in June 2019 and May 2020 for prices ranging from \$279,000 to \$325,000 or from \$168.89 to \$196.73 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains six suggested comparable sales for the Board's consideration. The Board has given less weight to the appellant's comparables #1 and #3 along with the board of review comparable #1 due to their sale dates occurring in 2019, which is less proximate in time to the assessment date than other sales in this record.

The Board finds the best evidence of market value to be the appellant's comparable #2 along with the board of review comparables #2 and #3. The Board finds that these comparables sold more proximate in time to the assessment date at issue and are relatively similar to the subject in location, design, age, dwelling size, and features, except the comparables all have finished basement area, a feature that the subject lacks, suggesting a downward adjustment would be required to make the comparables more equivalent to the subject. Nevertheless, these comparables sold in April and May 2020 for prices ranging from \$295,000 to \$325,000 or from \$165.73 to \$196.73 per square foot of living area, including land. The subject's assessment reflects a market value of \$294,632 or \$169.33 per square foot of living area, including land, which falls below the range on an overall market value but within the range on a price per square foot basis. Based on this record and after considering adjustments to the comparables for differences when compared to the subject, the Board finds no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
