

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Barbara Bey
DOCKET NO.: 21-01702.001-R-1
PARCEL NO.: 14-31-404-002

The parties of record before the Property Tax Appeal Board are Barbara Bey, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$56,310
IMPR.: \$188,497
TOTAL: \$244,807

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick and wood siding exterior construction with 3,900 square feet of living area. The dwelling was constructed in 1972 and is approximately 49 years old. Features of the home include an unfinished basement, central air conditioning, two fireplaces and a garage containing 800 square feet of building area. The property has a 20,851 square foot site and is located in Barrington, Ela Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four suggested equity comparables that are in the same assessment neighborhood code as the subject and located within 0.33 of a mile from the subject property. The comparables are improved with 2-story dwellings of either brick or wood siding exterior construction ranging in size from 3,731 to 4,782 square feet of living that range in age from 49 to 55 years old. Each comparable has an unfinished basement, central air conditioning, one to three fireplaces and a garage ranging in size from 497 to 897 square feet of building area. The comparables have improvement assessments ranging from \$160,381 to

\$200,697 or from \$39.43 to \$45.15 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$244,807. The subject property has an improvement assessment of \$188,497 or \$48.33 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on five suggested equity comparables that are in the same assessment neighborhood code as the subject and located within 0.41 of a mile from the subject property. The comparables are improved with 2-story dwellings of either brick or brick and wood siding exterior construction ranging in size from 3,704 to 4,076 square feet of living area that were built from 1968 to 1972, with comparables #1, #3 and #4 having an effective ages ranging from 1970 to 1983. Each comparable has an unfinished basement, central air conditioning and a garage ranging from 441 to 909 square feet of building area. Four comparables each have a fireplace. The comparables have improvement assessments ranging from \$188,066 to \$202,475 or from \$47.30 to \$53.04 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine suggested comparables for the Board's consideration. The Board has given less weight to the appellant's comparables #2 and #3 due to their dissimilar dwelling sizes when compared to the subject.

The Board finds the best evidence of assessment equity to be the parties' remaining comparables which are most similar to the subject in location, design, dwelling size, age and features. These most similar comparables have improvement assessments ranging from \$160,381 to \$202,475 or from \$39.43 to \$53.04 per square foot of living area. The subject property has an improvement assessment of \$188,497 or \$48.33 per square foot of living area, which falls within the range established by the best comparables in this record. Based on this record, and after considering differences between the best equity comparables and the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement assessment was inequitably assessed and a reduction in the assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
