

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Craig Twaddle
DOCKET NO.: 21-01706.001-R-1
PARCEL NO.: 06-35-401-014

The parties of record before the Property Tax Appeal Board are Craig Twaddle, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$16,499
IMPR.: \$82,329
TOTAL: \$98,828

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of vinyl siding exterior construction with 2,907 square feet of living area. The dwelling was constructed in 2001. Features of the home include a basement with finished area, central air conditioning, a fireplace and a 362 square foot garage. The property has an approximately 9,150 square foot site and is located in Grayslake, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on four comparable sales located within .22 of a mile from the subject property. The comparables have sites that range from 7,410 to 9,150 square feet of land area. The comparables are improved with 2-story dwellings of vinyl siding exterior construction ranging in size from 2,369 to 3,128 square feet of living area that were built from 1990 to 2001. The appellant reported that each comparable has a basement, three with finished area, central air conditioning, a fireplace and a garage ranging in size from 420 to 725 square feet of building area. The comparables sold from March 2019 to May 2021 for prices ranging from \$191,100 to

\$289,000 or from \$69.44 to \$101.94 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$111,232. The subject's assessment reflects a market value of \$334,532 or \$115.08 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales located from .08 of a mile to 1.34 miles from the subject property. The comparables have sites that range from 7,410 to 14,810 square feet of land area. The comparables are improved with 2-story dwellings of vinyl siding exterior construction that range in size from 2,173 to 2,787 square feet of living area that were built from 1991 to 2001. Each comparable has a basement, four with finished area, central air conditioning, either one or two fireplaces and a garage containing either 380 or 526 square feet of building area. The comparables sold from February 2020 to October 2021 for prices ranging from \$275,000 to \$387,500 or from \$126.55 to \$165.67 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The record contains nine suggested comparable sales for the Board's consideration. The Board has given less weight to the appellant's comparables #1 and #2 due to their dissimilar age when compared to the subject. The Board gave less weight to the appellant's comparable #3 due to its sale date occurring in 2019, less proximate in time to the January 1, 2021, assessment date than other comparables in the record. The Board gave less weight to board of review comparable #4 due to its lack of finished basement area when compared to the subject. The Board gave reduced weight to the board of review comparable #5 due to its distance of over one mile away from the subject.

The Board finds the best evidence of market value to be the appellant's comparable #4 along with board of review comparables #1, #2 and #3. Despite these comparables having considerable smaller dwelling sizes, they sold more proximate in time to the assessment date at issue and are similar to the subject in location, design, age, and features. These comparables sold from July 2020 to September 2021 for prices ranging from \$241,500 to \$360,000 or from \$101.94 to \$165.67 per square foot of living area, including land. The subject's assessment reflects a market value of \$334,532 or \$115.08 per square foot of living area, including land, which falls within the range of the best comparable sales in the record. Based on this record and after considering

adjustments to the comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
