

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Joann Bonadona
DOCKET NO.: 21-01725.001-R-1
PARCEL NO.: 10-14-407-007

The parties of record before the Property Tax Appeal Board are Joann Bonadona, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$29,987
IMPR.: \$110,900
TOTAL: \$140,887

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of vinyl siding exterior construction with 3,362 square feet of living area. The dwelling was constructed in 1997 and is approximately 24 years old. Features of the home include a basement with finished area, central air conditioning, a fireplace and a 682 square foot garage. The property has approximately 12,200 square foot site and is located in Mundelein, Fremont Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located in the same neighborhood code as the subject property and within 0.37 of a mile from the subject property. The comparables are reported to have sites of either 12,196 or 13,939 square feet on land area. These comparables are described as 2-story dwellings of vinyl siding exterior construction that range in age from 22 to 24 years old. The dwelling range in size from 3,339 to 3,576 square feet of living area. Each comparable a basement, one with finished area. Each comparable has central air conditioning and a garage containing either 726 or 824 square feet of building area. Two comparables each

have a fireplace. The comparables sold from February 2020 to January 2021 for prices ranging from \$350,000 to \$405,000 or from \$103.55 to \$114.84 per square foot of living area, land included. Based on this evidence, the appellant requested a reduction in the subject's total assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$140,887. The subject's assessment reflects a market value of \$423,720 or \$126.03 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located in the same neighborhood code as the subject and within 0.50 of a mile from the subject property. The comparables have sites that range from 12,200 to 15,680 square feet on land area. The comparables are described as 2-story dwellings of vinyl siding exterior construction that were built from 1996 to 1999. The dwellings range in size from 3,208 to 3,365 square feet of living area. Each comparable has a basement, one with finished area. Each comparable has central air conditioning, a fireplace and a garage containing either 682 or 726 square feet of building area. The comparables sold from April to November 2021 for prices ranging from \$425,000 to \$459,900 or from \$128.40 to \$139.70 per square foot of living area, land included. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the parties submitted nine comparable sales for the Board's consideration. The Board finds the comparables are similar to the subject in location, age, dwelling size and features. However, seven comparables having unfinished basements, suggesting upward adjustments would be needed when compared to the subject. Nevertheless, these comparables sold from February 2020 to November 2021 for prices ranging from \$350,000 to \$459,900 or from \$103.55 to \$139.70 per square foot of living area, including land. The subject's assessment reflects a market value of \$423,720 or \$126.03 per square foot of living area, including land, which falls within the range established by the best comparables sales in this record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
