

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: David Gurbach
DOCKET NO.: 21-01731.001-R-1
PARCEL NO.: 12-17-401-079

The parties of record before the Property Tax Appeal Board are David Gurbach, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$76,573
IMPR.: \$189,400
TOTAL: \$265,973

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1.5-story dwelling of wood siding exterior construction with 3,619 square feet of living area. The dwelling was constructed in 1984 and is approximately 37 years old. Features of the home include an unfinished basement, central air conditioning, a fireplace and a 484 square foot garage. The property has an approximately 19,460 square foot site and is located in Lake Bluff, Shields Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on four comparable sales located within .54 of a mile from the subject property. The comparables have sites that range from 15,990 to 34,499 square feet of land area. The comparables are improved with either 1.5-story or 2-story dwellings of wood siding exterior construction ranging in size from 3,633 to 4,050 square feet of living area that range in age from 28 to 38 years old. The appellant reported that each comparable has a basement, three with finished area, central air conditioning, either one or two fireplaces and a garage ranging in size from 484 to 696 square feet of building area. The comparables sold from

March to August 2020 for prices ranging from \$625,000 to \$752,000 or from \$154.32 to \$206.99 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$265,973. The subject's assessment reflects a market value of \$799,919 or \$221.03 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales located within .59 of a mile from the subject property. The comparables have sites that range from 11,600 to 28,010 square feet of land area. The comparables are improved with 2-story dwellings of brick, wood siding or brick and wood siding exterior construction that range in size from 3,045 to 4,126 square feet of living area that were built from 1984 to 1995. Each comparable has a basement, four with finished area, central air conditioning, either one or two fireplaces and a garage ranging in size from 484 to 704 square feet of building area. Comparable #1 has a partially finished attic. The comparables sold from October 2020 to June 2021 for prices ranging from \$860,000 to \$915,000 or from \$221.76 to \$282.43 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains nine suggested comparable sales for the Board's consideration. The Board has given less weight to the appellant's comparable #1 along with the board of review comparables #1 and #2 due to dissimilar dwelling size when compared to the subject.

The Board finds the best evidence of market value to be the appellant's comparables #2, #3 and #4 along with the board of review comparables #3, #4 and #4. The Board finds that these comparables are relatively similar to the subject in location, design, age, dwelling size, and features, except the comparables all have finished basement area, a feature that the subject lacks, suggesting an downward adjustment would be required to make the comparables more equivalent to the subject. Nevertheless, these comparables sold from March 2020 to June 2021 for prices ranging from \$630,000 to \$900,000 or from \$169.08 to \$259.64 per square foot of living area, including land. The subject's assessment reflects a market value of \$799,919 or \$221.08 per square foot of living area, including land, which falls within the range of the comparable sales in the record. Based on this record and after considering adjustments to the comparables for differences when compared to the subject, the Board finds no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
