

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Halina Selega
DOCKET NO.: 21-01774.001-R-1
PARCEL NO.: 15-24-307-003

The parties of record before the Property Tax Appeal Board are Halina Selega, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$59,195
IMPR.: \$125,475
TOTAL: \$184,670

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick and frame exterior construction with 3,047 square feet of living area. The dwelling was constructed in 1972 and is approximately 49 years old. Features of the home include an unfinished basement, central air conditioning, two fireplaces and a garage with 456 square feet of building area. The property has a 20,038 square foot site and is located in Lincolnshire, Vernon Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four suggested equity comparables located within the same assessment neighborhood as the subject property and within 0.24 of a mile from the subject property. The comparables are improved with 2-story dwellings of brick or wood siding exterior construction that range in size from 2,708 to 3,298 square feet of living area. The dwellings range in age from 36 to 49 years old. Each comparable has a basement, two with finished area and a garage ranging in size from 462 to 650 square feet of building area. Three comparables each have one or two fireplaces and three comparable each have central air conditioning. The comparables have improvement assessments that range from \$105,836 to \$126,184 or from \$36.12 to \$39.52 per square foot of living area. Based on this evidence, the appellant

requested the subject's improvement assessment be reduced to \$116,776 or \$38.32 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$184,670. The subject property has an improvement assessment of \$125,475 or \$41.18 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted the subject's property record card and a grid analysis of five suggested equity comparables located within the same assessment neighborhood as the subject property and within 0.15 of a mile from the subject property. The comparables are improved with 2-story dwellings of frame or brick and frame exterior construction ranging in size from 2,962 to 3,047 square feet of living area. The dwellings were built from 1972 to 1987. Four comparables have an unfinished basement. Each comparable has central air conditioning, one or two fireplaces and a garage ranging in size from 456 or 576 square feet of building area. The comparables have improvement assessments ranging from \$144,280 to \$164,109 or from \$48.32 to \$55.40 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine suggested comparables for the Board's consideration. The Board gave less weight to the appellant's comparables #2 and #3 along with the board of review comparable #2 due to their lack of basement foundation or finished basement area, a feature the subject lacks.

The Board finds the best evidence of assessment equity are the appellant's comparables #1 and #4 along with the board of review comparables #1, #3, #4 and #5. These comparables are relatively similar to the subject in location, design, dwelling size and some features. They have improvement assessments ranging from \$105,836 to \$164,109 or from \$36.12 to \$55.40 per square foot of living area. The subject's improvement assessment of \$125,475 or \$41.18 per square foot of living area falls within the range established by the best comparables in the record. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
