

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Shanna Donica
DOCKET NO.: 21-01782.001-R-1
PARCEL NO.: 14-22-201-103

The parties of record before the Property Tax Appeal Board are Shanna Donica, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$50,492
IMPR.: \$156,616
TOTAL: \$207,108

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick and wood siding exterior construction with 3,262 square feet of living area. The dwelling was constructed in 1994 and is approximately 27 years old. Features of the home include an unfinished basement, central air conditioning, a fireplace and a garage with 882 square feet of building area. The property has an approximately 19,830 square foot site and is located in Kildeer, Ela Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four suggested equity comparables located in the same assessment neighborhood code as the subject and within .66 of a mile from the subject property. The comparables are improved with 2-story dwellings of either brick or wood siding exterior construction ranging in size from 3,370 to 3,760 square feet of living area. The dwellings range in age from 25 to 30 years old. Each comparable is reported to have an unfinished basement, central air conditioning, either one or two fireplaces and a garage ranging in size from 640 to 782 square feet of building area. The comparables have improvement assessments ranging from \$139,795 to \$158,646 or from \$41.06 to \$43.84 per square foot of living area. Based on

this evidence, the appellant requested the subject's improvement assessment be reduced to \$138,716 or \$42.52 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$207,108. The subject property has an improvement assessment of \$156,616 or \$48.01 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on five suggested equity comparables that are in the same assessment neighborhood code as the subject and located within .55 of a mile from the subject property. The comparables are improved with 2-story dwellings of brick, wood siding or brick and wood siding exterior construction ranging in size from 2,998 to 3,438 square feet of living area. The dwellings were built from 1993 to 1999. Each comparable has an unfinished basement, one of which is a walkout style, central air conditioning, either one or two fireplaces and a garage ranging in size from 667 to 782 square feet of building area. The comparables have improvement assessments ranging from \$143,988 to \$180,152 or from \$48.03 to \$52.40 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine suggested comparables for the Board's consideration. The Board has given less weight to appellant's comparables #2 and #4 due to their dissimilar dwelling sizes when compared to the subject. The Board gave reduced weight to board of review comparable #2 due to its differences in walkout basement when compared to the subject.

The Board finds the best evidence of assessment equity to be the appellant's comparables #1 and #3 along with the board of review comparables #1, #3, #4 and #5 which are relatively similar to the subject in location, design, dwelling size, age and features. These comparables have improvement assessments ranging from \$139,795 to \$163,145 or from \$41.06 to \$50.18 per square foot of living area. The subject's improvement assessment of \$156,616 or \$48.01 per square foot of living area, falls within the range established by the best comparables contained in the record. Based on this record and after considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
