

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Gary Des Lauries
DOCKET NO.: 21-01785.001-R-1
PARCEL NO.: 14-33-303-011

The parties of record before the Property Tax Appeal Board are Gary Des Lauries, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$50,094
IMPR.: \$174,783
TOTAL: \$224,877

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 3,717 square feet of living area. The dwelling was constructed in 1994 and is approximately 27 years old. Features of the home include an unfinished basement, central air conditioning, two fireplaces, and a garage containing 810 square feet of building area. The property has approximately 66,040 square foot site and is located in Deer Park, Ela Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four suggested equity comparables that are in the same assessment neighborhood code as the subject and located within .13 of a mile from the subject property. The comparables are improved with 2-story dwellings of either brick or wood siding exterior construction ranging in size from 3,387 to 4,400 square feet of living area that range in age from 29 to 31 years old. Each comparable has an unfinished basement, central air conditioning, a fireplace and a garage ranging in size from 616 to 1,066 square feet of building area. The comparables have improvement assessments ranging from \$144,913 to \$192,740 or from

\$39.09 to \$43.80 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$224,877. The subject property has an improvement assessment of \$174,783 or \$47.02 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on five suggested equity comparables that are in the same assessment neighborhood code as the subject and located from .06 of a mile to 1.96 miles to the subject property. The comparables are improved with 2-story dwellings of either brick or wood siding exterior construction ranging in size from 3,390 to 3,743 square feet of living area that were built from 1985 to 1994 with comparables #3 and #4 having effective ages of 2011 and 1991, respectively. Each comparable has an unfinished basement, either one or three fireplaces and a garage ranging in size from 414 to 1,379 square feet of building area. Four comparables each have central air conditioning. The comparables have improvement assessments ranging from \$169,919 to \$190,066 or from \$46.87 to \$52.75 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine suggested comparables for the Board's consideration. The Board has given less weight to the appellant's comparables #3 and #4 along with board of review comparables #3 and #4 due to their dissimilar dwelling size, lack of central air conditioning and/or the distance of over one mile from the subject.

The Board finds the best evidence of assessment equity to be the appellant's comparables #1 and #2 and the board of review comparables #1, #2 and #5 which are most similar to the subject in location, design, dwelling size, age and features. These most similar comparables have improvement assessments ranging from \$151,140 to \$179,149 or from \$39.09 to \$49.15 per square foot of living area. The subject property has an improvement assessment of \$174,783 or \$47.02 per square foot of living area, which falls within the range established by the best comparables in the record. Based on this record, and after considering adjustments for differences between the best equity comparables, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement assessment was inequitably assessed and a reduction in the assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
