

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: MaryAnn Hartl
DOCKET NO.: 21-01792.001-R-1
PARCEL NO.: 07-08-307-003

The parties of record before the Property Tax Appeal Board are MaryAnn Hartl, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$26,443
IMPR.: \$127,456
TOTAL: \$153,899

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 2,980 square feet of living area. The dwelling was constructed in 1990 and is approximately 31 years old. Features of the home include a basement with finished area, central air conditioning, a fireplace and a 726 square foot garage. The property has an approximately 26,967 square foot site and is located in Gurnee, Warren Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on four comparable sales located within .19 of a mile from the subject property. The comparables have sites ranging in size from 25,482 to 35,845 square feet of land area. The comparables are improved with 2-story dwellings of wood siding exterior construction ranging in size from 2,820 to 3,490 square feet of living area that range in age from 29 to 32 years old. The appellant reported that each comparable has a basement, one with finished area, central air conditioning, a fireplace and a garage ranging in size from 609 to 726 square feet of building area. The comparables sold in either June or September 2020 for prices

ranging from \$408,000 to \$474,900 or from \$136.08 to \$144.68 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$153,899. The subject's assessment reflects a market value of \$462,854 or \$155.32 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on three comparable sales located within .28 of a mile from the subject property. The comparables have sites ranging from 26,210 or 31,450 square feet of land area. The comparables are improved with 2-story dwellings of wood siding exterior construction that range in size from 2,740 to 3,018 square feet of living area that were built in either 1991 or 1992. Each comparable has a basement, one with finished area, central air conditioning, a fireplace and a garage ranging in size from 654 to 736 square feet of building area. The comparables sold from January 2020 to February 2021 for prices ranging from \$410,000 to \$450,000 or from \$142.48 to \$155.12 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains seven suggested comparable sales for the Board's consideration. The Board has given less weight to the appellant's comparable #1 due to its dissimilar dwelling size when compared to the subject.

The Board finds the best evidence of market value to be the appellant's comparables #2, #3 and #4 along with the board of review comparables. The Board finds that these comparables are relatively similar to the subject in location, design, age, dwelling size, and some features. However, five of the comparables lack basement finished area, a feature of the subject, suggesting an upward adjustment would be required to make the comparables more equivalent to the subject. The comparables sold from January 2020 to February 2021 for prices ranging from \$408,000 to \$450,000 or from \$139.73 to \$155.12 per square foot of living area, including land. The subject's assessment reflects a market value of \$462,854 or \$155.32 per square foot of living area, including land, which is greater than the range of the best comparable sales in the record. This appears to be logical given that five of the six comparables have unfinished basements, which are inferior when compared to the subject's basement finished area. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
