

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Irwin Rosuck
DOCKET NO.: 21-01980.001-R-1
PARCEL NO.: 16-32-411-095

The parties of record before the Property Tax Appeal Board are Irwin Rosuck, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$28,285
IMPR.: \$145,041
TOTAL: \$173,326

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick and wood siding exterior construction with 2,436 square feet of living area. The dwelling was constructed in 1990 and is approximately 31 years old. Features of the home include an unfinished basement, central air conditioning, one fireplace, and a 441 square foot garage. The property has an approximate 3,520 square foot site and is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends assessment inequity with respect to the improvement assessment as the basis of the appeal. In support of this argument, the appellant submitted information on four comparables with the same assessment neighborhood code as the subject. The comparables are improved with two-story dwellings of brick exterior construction that have 2,436 square feet of living area. The homes are 28 to 32 years old. Each comparable has an unfinished basement, central air conditioning, one fireplace and a 441 square foot garage. The comparables have improvement assessments of \$123,993 and \$130,535 or for \$50.90 and \$53.59 per square foot of

living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$173,326. The subject has an improvement assessment of \$145,041 or \$59.54 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on five equity comparables with the same assessment neighborhood code as the subject. The comparables are improved with two-story dwellings of brick and wood siding exterior construction with 2,436 square feet of living area. The homes were built from 1989 to 1992. Each comparable has an unfinished basement, central air conditioning, one fireplace and a 441 square foot garage. These comparables have improvement assessments of \$145,041 or \$59.54 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments, for the assessment year in question, of not less than three comparable properties showing the similarity, proximity, and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine equity comparables for the Board's consideration that are identical or nearly identical to the subject in location, age, dwelling size, and features. The comparables have improvement assessments that range from \$123,993 to \$145,041 or from \$50.90 to \$59.54 per square foot of living area. The subject's improvement assessment of \$145,041 or \$59.54 per square foot of living area is identical to the improvement assessments of five of the nine comparables in the record. Based on this evidence, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
