

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Elizabeth Meyers  
DOCKET NO.: 21-02014.001-R-1  
PARCEL NO.: 16-21-109-011

The parties of record before the Property Tax Appeal Board are Elizabeth Meyers, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$114,283  
**IMPR.:** \$155,722  
**TOTAL:** \$270,005

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of brick exterior construction with 3,828 square feet of living area. The dwelling was constructed in in 1995 and is approximately 26 years old. Features of the home include an unfinished basement, central air conditioning, a fireplace and a 756 square foot garage. The property has a 13,494 square foot site and is located in Highland Park, West Deerfield Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables located within the same assessment neighborhood code as the subject property. The comparables are improved with two-story dwellings of brick exterior construction ranging in size from 3,539 to 4,731 square feet of living area. The dwellings are 26 or 30 years old. The appellant reported that each comparable has a basement, three of which have finished area. The

comparables each have central air conditioning, a fireplace and a garage that ranges in size from 756 to 864 square feet of building area. The comparables have improvement assessments that range from \$98,368 to \$116,191 or from \$23.03 to \$31.47 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$270,005. The subject property has an improvement assessment of \$155,722 or \$40.68 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on three equity comparables located within the same assessment neighborhood code as the subject property. The comparables are improved with one-story<sup>1</sup> dwellings of brick exterior construction ranging in size from 3,576 to 4,194 square feet of living area. The dwellings were built in 1994 or 1995. The board of review reported that each comparable has a basement, one of which is a walkout with finished area. Each comparable has central air conditioning, a fireplace and a garage that ranges in size from 828 to 1,031 square feet of building area. The comparables have improvement assessments that range from \$153,718 to \$163,777 or from \$38.61 to \$45.80 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of seven suggested equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #2 and #3 along with board of review comparable #3 which have finished basement area when compared to the subject's unfinished basement. The Board finds the best evidence of assessment equity to be appellant's comparable #4 and board of review comparables #1 and #2 which are relatively similar to the subject in location, dwelling size, design, age and features. The comparables have improvement assessments ranging from \$116,191 to \$161,930 or from \$31.47 to \$42.14 per square foot of living area. The subject's improvement assessment of \$155,722 or \$40.68 per square foot of living area falls within the range established by the best comparables in the record. After considering adjustments to the comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

---

<sup>1</sup> The Board finds the comparables have ground floor areas ranging from 766 to 2,304 square feet and above ground area ranging from 3,576 to 4,194 square feet, suggesting these are part two-story in design.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
