

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Shana Finkelstein
DOCKET NO.: 21-02017.001-R-1
PARCEL NO.: 16-34-313-021

The parties of record before the Property Tax Appeal Board are Shana Finkelstein, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$70,071
IMPR.: \$167,132
TOTAL: \$237,203

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick and wood siding exterior construction with 3,556 square feet of living area. The dwelling was built in 1993. Features of the home include a basement with finished area, central air conditioning, one fireplace, and a 528 square foot garage. The property has an approximately 16,308 square foot site and is located in Deerfield, Moraine Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables located in the same assessment neighborhood code as the subject property and within 0.33 of a mile from the subject. The comparables are improved with 2-story dwellings of brick exterior construction ranging in size from 3,321 to 3,894 square feet of living area. The dwellings range in age from 29 to 58 years old. The comparables each have a basement, one of

which has finished area. Each comparable has central air conditioning, one fireplace, and a garage ranging in size from 483 to 682 square feet of building area. The comparables have improvement assessments that range from \$140,601 to \$174,322 or from \$42.34 to \$45.06 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$156,464 or \$44.00 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$237,203. The subject property has an improvement assessment of \$167,132 or \$47.00 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on five equity comparables located in the same assessment neighborhood code as the subject property and within 0.06 of a mile from the subject. The comparables are improved with 2-story dwellings of brick and wood siding exterior construction ranging in size from 3,011 to 3,930 square feet of living area. The dwellings were built from 1991 to 1993. The comparables each have a basement, three of which have finished area. Each comparable has a central air conditioning, one fireplace, and a garage ranging in size from 672 to 987 square feet of building area. The comparables have improvement assessments that range from \$159,530 to \$200,344 or from \$47.51 to \$52.98 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine suggested equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #1 and #2 as well as board of review comparable #4 which are less similar to the subject in age or dwelling size than other comparables in this record.

The Board finds best evidence of assessment equity to be the parties' remaining comparables which are overall more similar to the subject in location design, age, dwelling size, and most features. However, four comparables lack basement finish, a feature of the subject, suggesting an upward adjustment for this difference would be necessary to make them more equivalent to the subject. The comparables have improvement assessments that range from \$163,963 to \$200,344 or from \$44.77 to \$50.98 per square foot of living area. The subject's improvement assessment of \$167,132 or \$47.00 per square foot of living area falls within the range established by the best comparables in this record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant

did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
