

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Julie Gross
DOCKET NO.: 21-02033.001-R-1
PARCEL NO.: 16-34-304-040

The parties of record before the Property Tax Appeal Board are Julie Gross, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$62,426
IMPR.: \$147,330
TOTAL: \$209,756

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick and wood siding exterior construction with 3,274 square feet of living area. The dwelling was built in 1985 and is approximately 36 years old. Features of the home include an unfinished basement, central air conditioning, one fireplace, and a garage with 672 square feet of building area. The property has a site with approximately 17,306 square feet of land area and is located in Deerfield, Moraine Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables located in the same assessment neighborhood code as the subject property and within 0.13 of a mile from the subject. The comparables are improved with 2-story dwellings of brick exterior construction ranging in size from 2,878 to 3,639 square feet of living area. The dwellings are either 34 or 36 years old. The comparables each have a basement, one of which has finished area. Each comparable has central air conditioning, one fireplace, and a garage ranging in size from 528 to 682

square feet of building area. The comparables have improvement assessments that range from \$123,765 to \$151,972 or from \$41.76 to \$43.20 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$140,045 or \$42.77 per square feet of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$209,756. The subject property has an improvement assessment of \$147,330 or \$45.00 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on five suggested equity comparables located in the same assessment neighborhood code as the subject property and within 0.11 of a mile from the subject. The comparables are improved with 2-story dwellings of brick and wood siding exterior construction ranging in size from 2,996 to 3,690 square feet of living area. The dwellings were built from 1984 to 1988 and thus would range in age from approximately 33 to 37 years old. Each comparable has an unfinished basement, central air conditioning, one fireplace, and a garage ranging in size from 420 to 552 square feet of building area. The comparables have improvement assessments ranging from \$144,680 to \$175,572 or from \$46.75 to \$48.47 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine suggested comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #1 and #2 as well as board of review comparables #2, #3, and #5 which are less similar to the subject in dwelling size and/or basement finish than other comparables in this record.

The Board finds the best evidence of assessment equity to be the parties' remaining comparables which overall are more similar to the subject in location, design, age, dwelling size, and features. These comparables have improvement assessments ranging from \$143,374 to \$160,183 or \$43.12 to \$47.36 per square foot of living area. The subject's improvement assessment of \$147,330 or \$45.00 per square foot of living area falls within the range established by the best comparables in this record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not prove by clear and convincing evidence that a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
