

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Dave Mayber  
DOCKET NO.: 21-02041.001-R-1  
PARCEL NO.: 16-34-302-007

The parties of record before the Property Tax Appeal Board are Dave Mayber, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$66,841  
**IMPR.:** \$147,691  
**TOTAL:** \$214,532

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of brick exterior construction with 2,940 square feet of living area. The dwelling was built in 1967 and is approximately 54 years old. The dwelling has an effective age of 1984. Features of the home include a basement with finished area, central air conditioning, one fireplace, and a 462 square foot garage. The property has an approximately 15,542 square foot site and is located in Deerfield, Moraine Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables located in same assessment neighborhood code as the subject and within 0.49 of a mile from the subject. The comparables are improved with 2-story dwellings of brick exterior construction ranging in size from 2,873 to 3,128 square feet of living area. The dwellings are 51

to 57 years old. The comparables each have a basement, one of which has finished area. Each comparable has central air conditioning, one fireplace, and a garage that ranges in size from 462 to 594 square feet of building area. The comparables have improvement assessments ranging from \$123,541 to \$145,353 or from \$42.82 to \$46.47 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment to \$133,182 or \$45.30 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$214,532. The subject property has an improvement assessment of \$147,691 or \$50.24 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on five equity comparables located in same assessment neighborhood code and within 0.54 of a mile from the subject. The comparables are improved with 2-story dwellings of wood siding, brick and vinyl siding, or brick and wood siding exterior construction ranging in size from 2,706 to 3,190 square feet of living area. The dwellings were constructed from 1963 to 1965 and have effective ages ranging from 1979 to 1985. Each comparable has a basement with finished area, central air conditioning, one or two fireplaces, and a garage that ranges in size from 441 to 540 square feet of building area. The comparables have improvement assessments ranging from \$135,627 to \$173,411 or from \$50.12 to \$54.36 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and no reduction in the subject's assessment is warranted.

The parties submitted nine equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #2, and #4 which lack basement finish, a feature of the subject.

The Board finds the best evidence of assessment equity to be the appellant's comparable #3 and board of review comparables which are similar to the subject in location, design, age, dwelling size, and other features. These properties have improvement assessments ranging from \$132,275 to \$173,411 or from \$46.04 to \$54.36 per square foot of living area. The subject has an improvement assessment of \$147,691 or \$50.24 per square foot of living area, which falls within the range established by the best comparables in this record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
