

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Andrea Feldman  
DOCKET NO.: 21-02042.001-R-1  
PARCEL NO.: 16-36-416-012

The parties of record before the Property Tax Appeal Board are Andrea Feldman, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$93,500  
**IMPR.:** \$106,402  
**TOTAL:** \$199,902

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of brick and wood siding exterior construction with 2,612 square feet of living area. The dwelling was constructed in 1950 and is approximately 71 years old. The dwelling has a reported effective year built of 1957 due to remodeling in 1991. Features of the home include a basement with finished area, central air conditioning, one fireplace, and a 418 square foot garage. The property has an approximately 12,654 square feet site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables located in the same assessment neighborhood code as the subject property and within 0.13 of a mile from the subject. The comparables are improved with 2-story dwellings of brick or wood siding exterior construction ranging in size from 2,594 to 2,931 square feet of

living area. The dwellings range in age from 72 to 85 years old. Each comparable has a basement with three having finished area, central air conditioning, one or three fireplaces, and a garage that ranges in size from 240 to 400 square feet of building area. The comparables have improvement assessments that range from \$96,797 to \$111,868 or from \$34.63 to \$38.22 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$97,231 or \$37.22 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$199,902. The subject property has an improvement assessment of \$106,402 or \$40.74 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on five equity comparables located in the same assessment neighborhood code as the subject property and within 0.49 of a mile from the subject. The comparables are improved with 1.75-story or 2-story dwellings of brick or brick and stucco exterior construction ranging in size from 2,191 to 2,773 square feet of living area. The dwellings were built from 1948 to 1951 and thus would range in age from approximately 70 to 73 years old. The comparables have reported effective ages ranging from 1954 to 1969. Each comparable has a basement with three having finished area, central air conditioning, one fireplace, and a garage that ranges in size from 420 to 630 square feet of building area. Comparable #5 has an inground swimming pool. The comparables have improvement assessments that range from \$100,684 to \$128,809 or from \$41.27 to \$46.45 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine suggested equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #2, and #4 as well as board of review comparables #1, #4, and #5 which due to differences in age, dwelling size, and basement finish when compared to the subject. In addition, the board of review comparable #5 has an inground swimming pool, which is not a feature of the subject.

The Board finds the best evidence of assessment equity to be parties' remaining comparables which are more similar to the subject in location, design, age, dwelling size, and other features. These comparables have improvement assessments that range from \$99,153 to \$128,809 or from \$38.22 to \$46.45 per square foot of living area. The subject's improvement assessment of \$106,402 or \$40.74 per square foot of living area falls within the range established by the best comparables in this record. Based on this record and after considering adjustments to the best

comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
