

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Claudine Harig
DOCKET NO.: 21-02045.001-R-1
PARCEL NO.: 16-32-106-017

The parties of record before the Property Tax Appeal Board are Claudine Harig, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$49,334
IMPR.: \$75,928
TOTAL: \$125,262

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of brick and wood siding exterior construction with 1,752 square feet of living area. The dwelling was constructed in 1957 and is approximately 64 years old. Features of the home include a concrete slab foundation, central air conditioning, and a 348 square foot garage. The property has an approximately 9,370 square foot site and is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on four comparable sales located within .31 of a mile from the subject property. The comparables have sites ranging in size from 8,999 to 11,282 square feet of land area that are improved with one-story dwellings of brick exterior construction with 1,886 or 2,150 square feet of living area. The dwellings are 64 or 65 years old. The appellant reported that each comparable has a concrete slab foundation, central air conditioning, and a garage with

264 or 406 square feet of building area. The comparables sold from April to October 2020 for prices ranging from \$355,000 to \$400,000 or from \$186.05 to \$200.16 per square foot of living area, land included. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$125,262. The subject's assessment reflects a market value of \$376,728 or \$215.03 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue. In support of its contention of the correct assessment, the board of review submitted information on four comparable sales located within .56 of a mile from the subject property. The board of review reported three comparables have sites ranging in size from 9,000 to 9,980 square feet of land area. The site sizes for comparables #2 and #3 were not reported. The comparables are improved with two-story dwellings of brick and wood siding exterior construction ranging in size from 1,825 to 1,886 square feet of living area. The dwellings were built in 1957 or 1958. One comparable is reported to have a basement with finished area and four comparables have concrete slab foundations. Each comparable has central air conditioning and a garage with 264 or 550 square feet of building area. Three comparables each have one fireplace. The comparables sold from October 2020 to November 2021 for prices ranging from \$405,000 to \$495,000 or from \$221.92 to \$262.46 per square foot of living area, land included. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to appellant's comparable #1 due to a significant difference from the subject in dwelling size. The Board gives less weight to board of review comparable #5 which has a basement when compared to the subject's concrete slab foundation.

The Board finds the best evidence of market value to be the remaining comparables in the record which are similar to the subject in location, age, dwelling size and some features. The properties sold from April 2020 to November 2021 for prices ranging from \$355,000 to \$495,000 or from \$188.23 to \$262.46 per square foot of living area, land included. The subject's assessment reflects a market value of \$376,728 or \$215.03 per square foot of living area, land included, which falls within the range established by the best comparable sales in this record both on overall value and price per square foot. Based on this evidence and after considering adjustments to the comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
