

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Sergei Kochkin
DOCKET NO.: 21-02051.001-R-1
PARCEL NO.: 16-30-302-008

The parties of record before the Property Tax Appeal Board are Sergei Kochkin, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$90,638
IMPR.: \$113,840
TOTAL: \$204,478

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of brick exterior construction with 2,852 square feet of living area. The dwelling was constructed in 1978 and is approximately 43 years old. Features of the home include a partial unfinished basement, central air conditioning, a fireplace, and an attached garage with 600 square feet of building area. The property has a 44,431 square foot site and is located in Riverwoods, West Deerfield Township, Lake County.

The appellant contends assessment inequity with respect to the improvement assessment as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables with the same assessment neighborhood code as the subject and located within .72 of a mile from the subject. The comparables are improved with one-story dwellings of wood siding or brick exterior construction that range in size from 2,743 to 3,670 square feet of living area. The homes range in age from 39 to 44 years old. Each comparable has a partial or full unfinished basement, central air conditioning, one or two fireplaces and an attached garage

ranging in size from 575 to 828 square feet of building area. The comparables have improvement assessments ranging from \$69,930 to \$125,919 or from \$23.94 to \$35.99 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$204,478. The subject property has an improvement assessment \$113,840 or \$39.92 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on five equity comparables with the same assessment neighborhood code as the subject and located from .52 of a mile to 1.02 miles from the subject. The comparables are improved with one-story dwellings of brick or wood siding exteriors ranging in size from 2,539 to 3,051 square feet of living area. The homes were built from 1972 to 1981. The comparables have partial or full basements with one having finished area. Each comparable has central air conditioning, one or two fireplaces and an attached garage ranging in size from 450 to 1,188 square feet of building area. The comparables have improvement assessments that range from \$116,549 to \$135,020 or from \$44.25 to \$48.60 per square foot of living area. Based on this evidence, the board of review requests confirmation of the subject's assessment.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted information on nine comparables to support their respective positions. The Board gives less weight to the appellant's comparables #3 and #4 which are considerably larger in dwelling size when compared to the subject. The Board gives less weight to board of review comparable #1 which is located over 1 mile away from the subject and to board of review comparable #5 which has finished basement area unlike the subject's unfinished basement.

The Board finds the best evidence of assessment equity to be appellant's comparables #1 and #2 as well as comparables #2 through #4 submitted by the board of review. These comparables are overall more similar to the subject in location, age, dwelling size and features. These comparables have improvement assessments that range from \$69,930 to \$135,020 or from \$23.94 to \$45.90 per square foot of living area. The subject's improvement assessment of \$113,840 or \$39.92 per square foot of living area falls within the range established by the best comparables in this record. Based on this record and after considering adjustments to the comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
