

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: John White  
DOCKET NO.: 21-02073.001-R-1  
PARCEL NO.: 02-18-301-003

The parties of record before the Property Tax Appeal Board are John White, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$16,952  
**IMPR.:** \$81,839  
**TOTAL:** \$98,791

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of wood siding exterior construction with 2,920 square feet of living area. The dwelling was built in 1997 and is approximately 24 years old. Features of the home include an unfinished basement, central air conditioning, one fireplace, and a garage with 360 square feet of building area. The property has an approximately 13,586 square foot site and is located in Antioch, Antioch Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables located within the same assessment neighborhood code as the subject property. The comparables are improved with 2-story dwellings of wood siding exterior construction ranging in size from 2,238 to 2,935 square feet of living area. The dwellings range in age from 26 to 30 years old. Each comparable has a basement with two having finished area and one or two

fireplaces. Three comparables each have central air conditioning. Three comparables each have a garage with either 400 or 724 square feet of building area. The comparables have improvement assessments ranging from \$51,507 to \$78,197 or from \$19.87 to \$26.78 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment to \$70,299 or \$24.08 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$98,791. The subject property has an improvement assessment of \$81,839 or \$28.03 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on eight equity comparables located within the same assessment neighborhood code as the subject property. The comparables are improved with 2-story dwellings of wood siding exterior construction ranging in size from 2,801 to 3,088 square feet of living area. The dwellings were built from 1992 to 1998. Each comparable has a basement with four having finished area, central air conditioning, one or two fireplaces, and a garage that ranges in size from 400 to 686 square feet of building area. The comparables have improvement assessments ranging from \$86,065 to \$92,098 or from \$29.48 to \$31.91 per square foot of living area. Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of twelve equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #2, and #3 as well as board of review comparables #5 through #8 due to differences from the subject in dwelling size and/or basement finish. Additionally, the appellant's comparable #3 lacks a garage, a feature of the subject.

The Board finds the best evidence of assessment equity to be the appellant's comparable #4 and board of review comparables #1 through #4 which are overall more similar to the subject in location, design, age, dwelling size, and features. These five comparables have improvement assessments ranging from \$78,197 to \$88,572 or from \$26.78 to \$30.73 per square foot of living area. The subject's improvement assessment of \$81,839 or \$28.03 per square foot of living area falls within the range established by the best comparables in this record. Based on this record and after consideration of necessary adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
