

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Dan Tresley
DOCKET NO.: 21-02099.001-R-1
PARCEL NO.: 16-26-414-009

The parties of record before the Property Tax Appeal Board are Dan Tresley, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$88,726
IMPR.: \$139,106
TOTAL: \$227,832

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick and wood siding exterior construction with 3,512 square feet of living area. The dwelling was constructed in 1977 and is approximately 44 years old. Features of the home include an unfinished basement, central air conditioning, a fireplace and a 759 square foot garage. The property has a 14,030 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables located within the same assessment neighborhood code as the subject property. The comparables are improved with two-story dwellings of brick exterior construction ranging in size from 3,555 to 3,960 square feet of living area. The dwellings are 43 to 54 years old. The appellant reported the comparables have basements, three of which have finished area. Each

comparable has central air conditioning, one or two fireplaces and a garage that ranges in size from 462 to 651 square feet of building area. The comparables have improvement assessments that range from \$132,306 to \$144,192 or from \$36.20 to \$37.22 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$227,832. The subject property has an improvement assessment of \$139,106 or \$39.61 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on five equity comparables located within the same assessment neighborhood code as the subject property. The comparables are improved with two-story dwellings of brick and wood siding, wood siding, or brick exterior construction ranging in size from 3,469 to 3,657 square feet of living area. The dwellings were built from 1969 to 1986. Comparables #1 and #5 have reported effective years built of 1973 and 1991, respectively. The board of review reported the comparables have basements, four of which have finished area. Each comparable has central air conditioning, one or two fireplaces and a garage ranging in size from 506 to 624 square feet of building area. Comparable #1 has an inground swimming pool. The comparables have improvement assessments that range from \$147,106 to \$165,228 or from \$41.00 to \$45.18 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine suggested equity comparables for the Board's consideration. The Board gives less weight to board of review comparable #1 which has an inground swimming pool that is not a feature of the subject.

The Board finds the best evidence of equity to be the remaining comparables in the record. These eight comparables are relatively similar to the subject in location, age, dwelling size and features. However, six comparables have finished basement area, suggesting downward adjustments are necessary to make them more equivalent to the subject. Nevertheless, the best comparables have improvement assessments ranging from \$132,306 to \$165,228 or from \$36.20 to \$45.18 per square foot of living area. The subject's improvement assessment of \$139,106 or \$39.61 per square foot of living area falls within the range established by the best comparables in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
