

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jason Howard
DOCKET NO.: 21-02219.001-R-1
PARCEL NO.: 16-29-112-014

The parties of record before the Property Tax Appeal Board are Jason Howard, the appellant, by attorney Andrew J. Rukavina, of The Tax Appeal Company in Mundelein; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$66,352
IMPR.: \$299,750
TOTAL: \$366,102

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick and wood siding exterior construction with 5,325 square feet of living area. The dwelling was constructed in 2010. Features of the home include a basement with finished area, central air conditioning, a fireplace and an 885 square foot garage. The property has a 23,440 square foot site and is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on three comparable sales with two comparables being located in the same neighborhood code as the subject and within 0.39 of a mile from the subject property. The comparables have sites that range in size from 16,490 to 44,250 square feet of land area. The comparables are improved with 2-story dwellings of brick or wood siding exterior construction with either 5,525 or 6,074 square feet of living area that were built from 1992 to 2008. Each comparable has an unfinished basement, central air conditioning, a fireplace and a garage ranging in size from 712 to 828 square feet of building area. The comparables sold from

January 2020 to May 2021 for prices ranging from \$840,000 to \$1,110,000 or from \$138.29 to \$200.90 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$366,102. The subject's assessment reflects a market value of \$1,101,059 or \$206.77 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales located in the same neighborhood code as the subject and within 0.53 of a mile from the subject property. The comparables have sites that range in size from 13,570 to 16,900 square feet of land area. The comparables are improved with 2-story dwellings of brick, wood siding or brick and wood siding exterior construction that range in size from 4,916 to 5,553 square feet of living area that were built from 2006 to 2014. Each comparable has a basement, two with finished area, central air conditioning, one or four fireplaces and a garage ranging in size from 662 to 1,032 square feet of building area. Comparable #4 has an inground swimming pool. The comparables sold from March 2020 to May 2021 for prices ranging from \$1,200,000 to \$1,875,000 or from \$216.65 to \$381.41 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains seven suggested comparable sales for the Board's consideration. The Board has given less weight to the appellant's comparable #3 along with board of review comparable #4 due to dissimilar dwelling size when compared to the subject and/or the feature of a inground swimming pool, an amenity the subject lacks.

The Board finds the best evidence of market value to be the remaining parties' comparables. The Board finds that these comparables are relatively similar to the subject in location, dwelling size, age and some features. The comparables sold from January 2020 to May 2021 for prices ranging from \$1,109,550 to \$1,875,000 or from \$192.76 to \$381.41 per square foot of living area, including land. The subject's assessment reflects a market value of \$1,101,059 or \$206.77 per square foot of living area, including land, which falls below the range established by the best comparable sales on an overall market value but falls within the range on a per square foot basis. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
