

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Darryl Schlin
DOCKET NO.: 21-02224.001-R-1
PARCEL NO.: 10-22-103-019

The parties of record before the Property Tax Appeal Board are Darryl Schlin, the appellant, by attorney Andrew J. Rukavina, of The Tax Appeal Company in Mundelein; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$33,344
IMPR.: \$128,412
TOTAL: \$161,756

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 3,347 square feet of living area. The dwelling was constructed in 1994. Features of the home include a basement with finished area, central air conditioning, two fireplaces, and a 427 square foot garage. The property has a 10,890 square foot site and is located in Mundelein, Fremont Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within 0.07 of a mile from the subject. The parcels range in size from 8,280 to 14,370 square feet of land area and are improved with 2-story homes of wood siding, brick, or wood siding and brick exterior construction ranging in size from 3,184 to 3,885 square feet of living area. The dwellings were built from 1996 to 2005. Each home has a basement, four of which have finished area, central

air conditioning, one or two fireplaces, and a garage ranging in size from 440 to 876 square feet of building area. The comparables sold from October 2018 to November 2020 for prices ranging from \$463,000 to \$510,000 or from \$131.27 to \$145.41 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$161,756. The subject's assessment reflects a market value of \$486,484 or \$145.35 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.41 of a mile from the subject. The parcels range in size from 10,020 to 30,460 square feet of land area and are improved with 2-story or part 1-story part 2-story homes¹ of brick, wood siding, or wood siding and brick exterior construction ranging in size from 2,996 to 3,701 square feet of living area. The dwellings were built from 1996 to 2019. Four homes each have a basement, three of which have finished area. Each home has central air conditioning, one to three fireplaces, and a garage ranging in size from 505 to 940 square feet of building area. The comparables sold from March 2020 to May 2021 for prices ranging from \$540,000 to \$629,051 or from \$155.78 to \$209.95 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of ten comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #3 and #5 which sold less proximate in time to the assessment date than the other comparables in this record. The Board gives less weight to the appellant's comparables #2 and #4 and the board of review's comparables #1, #4, and #5 due to substantial differences from the subject in dwelling size, age, foundation type and/or basement finish.

The Board finds the best evidence of market value to be the appellant's comparable #1 and the board of review's comparables #2 and #3, which are similar to the subject in dwelling size, age, location, and features, but have larger lots than the subject, suggesting downward adjustments to these comparables would be needed to make them more equivalent to the subject. These most similar comparables sold for prices ranging from \$463,000 to \$629,000 or from \$145.41 to

¹ The board of review reported comparable #4 is a 1-story home but also reported above ground living area that is greater than the reported ground floor living area, indicating this home has second floor living area.

\$209.95 per square foot of living area, including land. The subject's assessment reflects a market value of \$486,484 or \$145.35 per square foot of living area, including land, which is within the range established by the best comparable sales in terms of total market value and below the range on a price per square foot basis. Based on this evidence and after considering appropriate adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
