

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Michael Quinn
DOCKET NO.: 21-02228.001-R-1
PARCEL NO.: 10-08-300-009

The parties of record before the Property Tax Appeal Board are Michael Quinn, the appellant, by attorney Andrew J. Rukavina, of The Tax Appeal Company in Mundelein; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$56,038
IMPR.: \$115,328
TOTAL: \$171,366

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of wood siding exterior construction with 2,762 square feet of living area. The dwelling was constructed in 1986. Features of the home include a basement with finished area, central air conditioning, a fireplace, a 675 square foot garage, and an inground swimming pool. The property has a 217,800 square foot site and is located in Grayslake, Fremont Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.77 of a mile from the subject. The parcels range in size from 20,270 to 315,370 square feet of land area and are improved with 1-story homes of brick, wood siding, or vinyl siding and stone exterior construction ranging in size from 2,218 to 3,743 square feet of living area. The dwellings were built from 1975 to 2008. Each home has a basement, one of which has finished area, central air

conditioning, and a garage ranging in size from 552 to 762 square feet of building area. Two homes each have two fireplaces. Comparable #3 has a flat barn. The comparables sold from July 2020 to July 2021 for prices ranging from \$350,000 to \$662,500 or from \$157.80 to \$181.92 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$171,366. The subject's assessment reflects a market value of \$515,386 or \$186.60 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located from 0.44 of a mile to 3.45 miles from the subject. The parcels range in size from 207,210 to 259,180 square feet of land area and are improved with 1-story homes of brick or wood siding exterior construction ranging in size from 1,404 to 2,414 square feet of living area. The dwellings were built from 1962 to 1989. Each home has a basement, three of which have finished area, and a garage ranging in size from 528 to 693 square feet of building area. Three homes each have central air conditioning and three homes each have one or two fireplaces. Two comparables each have an inground swimming pool and one comparable has a stable. The comparables sold from November 2020 to September 2021 for prices ranging from \$399,900 to \$580,000 or from \$180.20 to \$284.83 per square foot of living area, including land. Based on this evidence the board of review requested the subject's assessment be sustained.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of seven comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1 and #3 and the board of review's comparables #2, #3, and #4, due to substantial differences from the subject in dwelling size and/or distance of more than one mile from the subject. Moreover, the board of review's comparable #2 has a stable unlike the subject.

The Board finds the best evidence of market value to be the appellant's comparable #2 and the board of review's comparable #1, which are relatively similar to the subject in dwelling size, age, location, and some features, although one of these comparables lacks finished basement area that is a feature of the subject and one comparable has a smaller lot than the subject, suggesting upward adjustments to these comparables would be needed to make them more equivalent to the subject. These two most similar comparables sold for prices of \$455,000 and \$580,000 or of \$181.92 and \$248.29 per square foot of living area, including land, respectively. The subject's

assessment reflects a market value of \$515,386 or \$186.60 per square foot of living area, including land, which is bracketed by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
