

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: John Hughes
DOCKET NO.: 21-02251.001-R-1
PARCEL NO.: 15-17-102-015

The parties of record before the Property Tax Appeal Board are John Hughes, the appellant, by attorney Andrew J. Rukavina, of The Tax Appeal Company in Mundelein; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$48,544
IMPR.: \$118,154
TOTAL: \$166,698

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick and wood siding exterior construction with 3,356 square feet of living area. The dwelling was constructed in 1987. Features of the home include an unfinished basement, central air conditioning, a fireplace and a 616 square foot garage. The property has an approximately 53,143 square foot site and is located in Long Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on five comparable sales located in the same neighborhood code as the subject and within 0.43 of a mile from the subject property. The comparables have sites that range in size from 43,560 to 83,200 square feet of land area. The comparables are improved with 2-story dwellings of brick, frame or brick and frame exterior construction ranging in size from 3,842 to 4,638 square feet of living area that were built in 1987 or 1988. Each comparable has a basement, three with finished area, central air conditioning, one to three fireplaces and a garage ranging in size from 704 or 864 square feet of building area. The comparables sold from

February 2018 to December 2020 for prices ranging from \$460,000 to \$600,000 or from \$99.18 to \$130.89 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$166,698. The subject's assessment reflects a market value of \$501,347 or \$149.39 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales located within 1.24 miles from the subject property with three comparables being in the same neighborhood code as the subject. The comparables have sites that range in size from 43,560 to 166,400 square feet of land area. The comparables are improved with 1-story or 2-story dwellings of wood siding or brick and wood siding exterior construction ranging in size from 2,986 to 3,576 square feet of living area that were built from 1985 to 1989. Each comparable has a basement, four with finished area and one of walk out design, central air conditioning, one to three fireplaces and a garage ranging in size from 562 to 832 square feet of building area. Comparables #3 and #4 each have a hot tub. The comparables sold from October 2020 to August 2021 for prices ranging from \$487,000 to \$620,000 or from \$160.46 to \$207.64 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains ten suggested comparable sales for the Board's consideration. The Board has given less weight to the appellant's comparables their dissimilar dwelling size when compared to the subject and/or the remote sale dates occurring in 2018 and 2019, which is less proximate in time to the January 1, 2021 assessment date given other sales available in the record. The Board has given less weight to the board of review comparables #3 and #4 due to their location of over one mile from the subject.

The Board finds the best evidence of market value to be the remaining board of review comparables. The Board finds that these comparables sold proximate in time to the assessment date at issue and are relatively similar to the subject in location, dwelling size, age and some features. The comparables sold from October 2020 to August 2021 for prices ranging from \$580,000 to \$620,000 or from \$168.51 to \$207.64 per square foot of living area, including land. The subject's assessment reflects a market value of \$501,347 or \$149.39 per square foot of living area, including land, which falls below the range of the best comparable sales contained in this record. Based on this record and after considering adjustments to the best comparables for

differences when compared to the subject, the Board finds no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
